The Horseshoe Curve

A deep blue jewel, set in towering mountains' green,
Quiet, serene, it lies 'neath twilight sky;
Beauty incarnate, rich and rare, our eyes have seen,
To cherish through the years. Pass it not by.

THE PRINCIPAL'S MESSAGE----

Each year contributes something—something to the history of the High School. Some record of events should be made annually, for there is a large group to whom each year represents another link in a long chain of glorious heritage.

In this *Horseshoe* may we consider the value of all and the achievement of many; may we view the progress of those who will remain to mingle their successes with the worthy traditions of our school.

This book will give you a picture of the activities of the youth of America as they reflect in the work, the recreation, and the sports of the students in a typical Pennsylvania high school.

The Horseshoe stands for achievement and possibility. Its pages tell of successes that betoken a steadily increasing power to appreciate those things in life which are noble and enduring.

ALTOONA SENIOR HIGH SCHOOL

ALMA MATER

Blow, oh gentle mountain breezes,
From the golden west;
Breathe thy peaceful evening tidings
To the A. H. S.
Whisper to us words of pleasure,
As the dim twilight
Softly gathers 'round our colors,
Dear Maroon and White.

Now the shades of night grow darker;
Birds have gone to rest;
But our colors shine the brighter
Of the A. H. S.
Sinking sun behind the hilltops
Sighs a soft "good night!"
To the colors waving o'er us,
Dear Maroon and White.

Night has slowly crept around us,
Stars are shining bright,
Waving, oh so calm and peaceful,
Dear Maroon and White.
We shall always sing thy praises,
Work for thy success;
Hail to noble Alma Mater!
Hail to A. H. S.!

Our Legislators

Mr. Pegg

The Altoona High School, a pioneer in student participation in school government, has developed a student government organization that has proved its effectiveness. This body is composed of two groups: First, the House of Representatives, made up of all Home Room presidents, which meets twice a month. Second, the Senate, composed of twenty-two members—two boys and two girls elected from each of the three classes and also one representative from each of the major organizations of the school.

Because the members of the House of Representatives are in close contact with individual students, they bring to the legislative group the opinions and problems of the school at large.

The Senate members actually participate in the solution of many school problems and assist in the conduct of certain school activities. The members work with their sponsors to promote a closer cooperation between faculty and students. They have endeavored to uphold democratic ideas and to effect school legislation for the betterment of student welfare. With this goal constantly before them, the members have sponsored the activity ticket sale; organized the Corridor Patrol system; conducted the Parent-Teacher Association membership drive; directed welfare work for the assistance of worthy students; established a more efficient "Lost and Found" department; aided in conducting the paid assembly programs; and have acted on problems of discipline and various other matters that have been brought before the organization.

An important project of the local Senate has been a survey of opinions of educators and high school groups throughout the United States on the subject of maintaining honor societies in secondary schools.

With Harold J. Pegg, sponsor of A.H.S. student government, working as permanent director of the Pennsylvania Association of Student Participation in School Government, and with Altoona as permanent headquarters of this state organization, the Altoona Senate has been very active in furthering the work of the state society. A large delegation attended the convention held in York during October and a representative group went to the convention of the New Jersey student government association.

Altoona feels that its pioneering in this work, which began several years ago, has met with much success. Through the state organizations, it is probable that interest in student participation in school government will continue to grow and will spread to schools hitherto unaffected.

One Goal Reached, Another Set

"The old order changeth."

The members of the incoming Class in September, 1934, were almost overwhelmed with the change from their position as upper classmen in Keith and Roosevelt to that of "mere sophomores" in Senior High. From a realm where self-confidence had come through experience, where leadership qualities had won recognition, they came to new teachers, different studies, a vast building, unfamiliar surroundings, and different customs. Because of crowded conditions, the daily routine had undergone a change. Many students entered school late, others left early in the afternoon under the new plan. With all these bewildering changes, is it any wonder that the Sophomores were confused?

An interesting procedure of petitions, nominations and balloting gave well-chosen student leaders, who, with the hearty cooperation of the members and the assistance of kindly and capable sponsors, planned and carried through a successful program.

The Sophomore party, the only one of the year for this group, was held in February. Collectively and individually, the participants declared the affair was successful both socially and financially.

The installation of National Honor Society members greatly impressed the Sophomores privileged to witness it and thrilled many of them with a determination to strive for scholastic and activity honors. An educational trip to Harrisburg to attend the farm show also included a visit to the State Capitol and the Education Building.

"The old order changeth"—yes, but so comes growth, and the close of the school year found the Sophomores accustomed to and actually enjoying school life in Senior High.

"One shade the more, one ray the less."

One step nearer the goal, graduation, yet one step away from it was the situation of those who returned to school as Juniors in September, 1935. Senior High now seemed like home with a welcoming atmosphere for former members and newcomers as well. In this host of vivacious students, friendships were renewed and new acquaintanceships were formed. The year gave promise of rich returns.

The election of class officers was not unusual in any way; nevertheless, it created a spirit of friendly competition frankly enjoyed by the pupils. The results of the balloting were satisfactory, for those who were elected strove admirably to fulfill the duties of their respective offices. The cooperation of the class members with student leaders and faculty sponsors helped in a large measure to insure the success of Junior undertakings during the year.

The Yale Chronicle Series of pictures, shown at intervals during the school term in the Roosevelt auditorium, aroused latent interest in history.

As an indication of a rise in the social position of the Juniors, they were privileged to hold two parties. To break away from the tradition that one social was sufficient during a year gave the class quite a grown-up feeling. December and April were the well-chosen months for these events. The annual class picnic and dance, at the end of the school term, brought to a close a year that the Juniors will long remember.

"Not enjoyment, and not sorrow, is our destined end."

To the students who returned from vacation in September, 1936, for their final year in Altoona High School, life was mingled with gladness and sorrow—gladness because a goal for which all had striven was near at hand, and sorrow because in nine short months the class must separate. The title "Senior" had an intriguing sound implying privileges and superiority heretofore unknown by the group. Underclassmen respectfully recognized the authority with which the members of the Senior Class were now vested.

Although familiar with its functionings, the Seniors took a lively interest in the annual school election. After a spirited campaign, the newly-elected officers were introduced at the class meeting held in November. During this month the initial class social was held. The cafeteria was used for the event, rather than the study hall which had been used for such festive occasions in former years. The second soiree was featured by the wearing of sport clothes. The third and fourth socials, both entertaining and gay, were held in March and May, respectively; the former, with green and gold predominating, featured Saint Patrick's Day as its theme.

Coinciding with President Roosevelt's inauguration day, fifty-six members of the Senior Class were initiated into the National Honor Society. Doctor Carroll Champlin of Pennsylvania State College delivered an inspiring address on this occasion.

Betty Crilly, Madeline Mock, and Betty Stevens were chosen by the Senior girls to represent the Altoona High School in a state-wide contest sponsored by the Daughters of the American Revolution. Dependability, service, leadership, and patriotism were the qualities considered in choosing these girls. Each of the three submitted an essay on "What Constitutes Americanism." Betty Crilly's entry received the highest rating.

A career conference was conducted on Saturday, March 6. It was of special interest to the Seniors because many prominent men and women discussed their respective professions and gave valuable assistance to students making a decision concerning the careers for which they were best fitted.

The month of May was crowded with excitement and interest. The final Senior Assembly marked the "beginning of the end." Home Room parties created a buzz of activity. Though final examinations brought a few heart attacks, there were no fatalities and a happy crowd prepared for the climax of the school year. The sermon for the graduates was delivered, as usual, in Jaffa Mosque. The theme for the commencement pageant was "The Early History of Blair County."

May the future bring rich rewards to every member of the 1937 Class of Altoona Senior High.

The Juniors Press Onward

"SAY there, what's that you say—? Can't hear; speak louder please,—Oh, yes, Room 210. I'm looking for the same room—can't seem to find it anywhere—. What's that? Crowded? You bet, crowded and awfully noisy." And that is the way our new and uninitiated Sophomore Class began as yearlings in September of 1935. However, this excitement and bewilderment did not last; soon we become engrossed in an effort to establish ourselves in the academic field.

In the fall season football held the center of attraction. Thrilling games filled us, now loyal rooters of a new Alma Mater, with tingling excitement. With the football season over, mid-year examinations loomed before us as the first big test of our ability as high school students. Exams came and went with but few casualties to mar the sophomore record. Many students were watching and learning with the hope of laying a firm foundation for their first year.

Other interests broke the steady routine—the basketball season, a successful track season, and a more than entertaining annual show. The year was climaxed with a delightful social in which the class members emerged as full-fledged, grown-up "socialites." There is no doubt that the year passed quickly, filled as it was with a great variety of interest for the new class. As examinations finally closed the school season, we looked forward to summer vacation.

One year had been completed, a new class had come, another had gone. Can this class live up to the standards set by their predecessors? Whether it can or not, if each member lives up to the ideals expressed in the following lines by Edgar Guest, he will reach a worthy goal.

"Teach me to do the best I can
To help along our fellow man;
Teach me to lose my selfish need
And glory in the nobler deed,
That smooths the road and lights the way
For all who chance to pass this way."

"*He who hesitates is lost.*"—Realizing the importance of this maxim, the Junior Class of 1937-38 wasted no time in becoming accustomed to school routine. W th the previous year's experience the attitude of the group had become more serious and self-confidence had increased. Every one seemed to have a fuller realization of the purpose of high school training. Contacts with the incoming class brought recollections of our own entrance, the trials and tribulations of that memorable first week in a new school. But we passed on with a smile for we knew that these Sophomores, too, would become familiar with new environs and learn, as days passed, the real meaning of being a member of this great school. To make our organization more compact, to increase our strength and to establish our importance, we elected and formally inaugurated class officers. These leaders guided the Class of 1938 successfully and admirably on the seas of learning and wisdom throughout the entire course.

"To reach the port . . . we must sail
sometimes with the wind and sometimes against,
but we must sail and not drift
nor lie at anchor."

These were happy times for all, with an almost continuous stream of events, carefully planned and conscientiously enacted. There was the football season, in which the Mountain Lions roared loudly and fiercely to the satisfaction of the entire student body. Fair play, interesting games, ideal weather—all these made each athletic event a delightful one. Our class socials were bright, scintillating affairs; their atmosphere was filled with laughter and gaiety. They were outstanding and successful, even beyond our fondest expectation.

With spring came many exciting happenings. Most important among these was our trip to Philadelphia, made in celebration of the one-hundred-fiftieth anniversary of the adoption of our Constitution. Approximately one hundred Juniors on this tour visited places of historical importance in the city and its vicinity. Immediately following a pleasant Easter vacation came the Annual Show, which proved to be one of the highlights of the year.

Time sped quickly, and second semester examinations were upon us before we knew it. As a climax to our social year came the Junior Class picnic, a gay occasion.

As school closed, we were eagerly anticipating that most important of high school years . . . our Senior one.

The Sophomore Scribe Reports

ONCE each year it is customary for the king to convene his court and hear reports on the progress of his subjects. This occasion is one of merriment and rejoicing because awards are given for good stewardship. The king's proclamation has been read, the people have gathered, and the call of the trumpets heralds the presence of the king. After the usual curtsies the king summoned the scribe to present his report on the Sophomores of the Altoona High School. The scribe spoke as follows:

"Hail, mighty King! Although we were divided into two groups as Freshmen in Keith and Roosevelt Junior High Schools, we had much in common.

"Did we not, as Freshmen, produce *Annual Shows* with outstanding success? *Keith Varieties* was based on the story of the *Three Musketeers;* Roosevelt's entertaining operetta featured *Wind Mills of Holland.* These activities gave us an opportunity to develop our abilities and our efforts were received by appreciative audiences. Much new talent was discovered and developed. In all our social and club activities unusual interest existed. Members of our class served efficiently as officers of our Junior High organization.

"Our social activities included a rollicking, hilarious roller-skating party by the Keith group; it was so well attended that there were not sufficient skates for everyone. Not to be outdone, Roosevelt gave a memorable dance program to the rhythmic music of the Altoona High School dance orchestra. Many friendships formed at these social functions will be lasting.

"Out athletic teams met with more than the usual success. We enjoyed many successful athletic events, and the final championship awards were basketball to Keith and football to Roosevelt. The friendly and spirited interest shown at the annual Keith-Roosevelt football game, played to a tie score, did much to unite us into one large body preparatory to going forth together into Senior High School. By the end of the school term, we passed on our mantle to worthy successors. We had been casting our eyes, for sometime, on the footsteps of our preceding classmates. Often did we listen and stand their jibes in an attitude of resignation. We respected our 'superiors' in an attitude as expressed by the poet,

'He drank his glass and cracked his joke
And freshmen wondered as he spoke.'

"Then, oh King, another eventful day arrived when from the four corners of the city, we gathered as a mighty band to renew our friendships and acquire new acquaintances. We were now Sophomores! A little more worldly wise, we entered our new home with a sense of security. Here, however, things were different. We found our way about with the *Compass* in our hand, asking innumerable questions, and many of us became lost and bewildered in this 'Turkish maze.' There were corridors to the right and left, ascending and descending stairs to be traveled, and classes were always on the opposite side of the building. However, after the first few days, confusion turned to order. Classes were organized and it was no longer necessary to write a letter to each teacher. School life was grand after it really started.

"In a spirited campaign with numerous circulating petitions, we elected officers well quaified to lead us toward our goal, a high standard of scholastic work and creditable participation in all school activities.

"Our young manhood was already represented on our High School athletic teams and also in intra-mural sports. Our young womanhood had active interest in the development of sports and other activities. As a class we were loyal to our classmates in all their endeavors to bring glory in the realm of sports to our class.

"Our one social, held in the spring, will long be remembered as an outstanding event for entertainment and merriment.

"This, Your Majesty, is our record. In spirit and diplomacy the Class of 1939 has shown its determination to get an education and, at the same time, to become a credit to our *Alma Mater*. May we put forth our best efforts to make the future eclipse the past."

May we say with the poet, George du Maurier,

"A little work, a little play
To keep us going—and so, good-day!
A little warmth, a little light
Of love's bestowing—and so, good-night!
A little fun, to match the sorrow
Of each day's growing—and so, good-morrow!
A little trust that when we die
We reap our sowing! And so—good-bye!"

PUBLICATIONS

We've Done Our Best

Harold S. Stiffler Charles B. Samuel P. Richard Bertram

THE aim of this year's *Horseshoe* staff has been to produce a book that would serve as a written record of the achievements of our school, especially of those students who are terminating their public school life. In deference to the more modern trends, it has been necessary to bring about various changes which we hope will meet with your approval. Photography has been utilized in introducing the different sections of the book in order to present illustrations that are representative of the scenes and activities of our own school.

We have endeavored to edit this 1937 *Horseshoe* in such a manner that it will serve as a reminder of your high school days and of the outstanding events which took place. In uniting all the classes in one section we have carried further our program of making this edition a yearbook for the whole student body.

In presenting this volume, your staff has kept in mind the ideals and characteristics suggested by the title, *Horseshoe*, and also corresponding ideals of the persons about whom the book is written. As the Horseshoe Curve is enclosed by bands of steel track, so we have bound our book with a cover of service. Though history and legend encompass the curve, yet over the tracks roll the wheels of progress. In this book we have tried to combine traditions of our school with a record of efinited forward steps.

The Mountain Echo

Victoria Fox Albert Goldberg Sidney Friedman

THE *Mountain Echo,* the paper issued bi-weekly, faithfully portrays the news of the High School. Due to the alertness of an efficient staff, composed of representatives from each of the three classes, no item of interest escaped notice during the year. Unique snapshots in unusual arrangements, a valuable contribution of enthusiastic amateur photographers, added much to the appearance of the publication. Editorials and feature articles carried the interest of a large group of readers.

To increase interest on the part of the student body, the *Echo* directed several polls, the most popular of which was "The Human Interest Poll." The paper also contributed greatly as a means of popularizing campaigns conducted by various organizations.

Prior to this year, the staff was headed by an editor-in-chief, a senior. This year, a change was made by which the most capable staff member became managing editor, the only superior of the editor-in-chief.

Rewarding the efforts of its competent staff, were the eight honorary awards attained at the Pennsylvania School Press Association convention at Hershey. The paper also maintained its second class rating at the Columbia Scholastic Press meeting in New York, and gained a first class rating in the National Scholastic Press Association.

In connection with the paper, Mr. Faris, the publication sponsor, conducts a semi-monthly Newswriting Club, and also a daily journalism class which deals with newswriting and develops special talent among the students.

The Compass

Janet Gillespie

Delbert Clark

JUST as early explorers and navigators in their frenzied bewilderment turned to the newly invented compass for guidance, so the newcomers to Altoona High School depend upon *The Compass* for assistance.

In a clear and concise manner, *The Compass* endeavors to place before all students certain information both necessary and helpful to them. Although most Sophomores study the floor plans in secret, those drawings prove to be a boon to each one of them. Likewise, *The Compass* acquaints the new-comer with his many opportunities for participation in school activities by its review of student organizations.

Not only those unfamiliar with the school but also the many old-timers find this handbook indispensable because of its school calendar; complete list of the faculty; reading list, to which all English students must refer for book reports; and the program of required courses and all electives offered.

In 1934, *The Compass* adopted its present system of yearly issuance. This year's staff revised and added information to the material provided by editorial groups of former years. By concentration on even the smallest details, an up-to-date manual is published for the convenience of each student who wishes to be well informed about his school.

"CAN we ever forget those weekly broadcasts when the A. H. S. 'Scriveners' held forth at WFBG?" "Do you remember the din and uproar on that November day when all those new members were initiated into the society?" "What fun it was!"

The Quill and Scroll, a national honor society for high school journalists, originated in 1926, but the Altoona chapter was not organized until 1931. To become a member of the organization, a student must have contributed work of merit to one of the publications of the school; he must also have good character rating and must maintain a high scholastic standing.

Miss Heller

Many of the regular meetings of the society were devoted to creative writing. Those interested in drama not only wrote plays; they also presented them. Contests in short story, poetry, essay, and editorial, sponsored by the local chapter under the direction of the national society, drew creditable entries. Radio programs included one act plays, reviews of popular motion pictures, and special features touching upon current topics.

An active alumni association keeps up an interest in creative writing and maintains an interest in Quill and Scroll activities.

ORGANIZATIONS

Boys Federation

THE Boys Federation of the Altoona High School is the largest student organization of its kind in Pennsylvania. Although it carried a heavy program of activities during the year, the Federation finished successfully a busy season.

On the register of the Federation, every boy in the school is enrolled from his sophomore year until the moment of his graduation. The society is the source of quite a few school activities that are beneficial to the Altoona High School students.

One of the outstanding achievements of the year was a "Career Conference" conducted in the Senior High building on March 6. The purpose of this convention was to help prospective high school graduates in their choice of a fit vocation. The idea originated from a belief that time, effort, and money spent on a vocational conference of this kind would help students in the choice of their life work, and eventually would be of more value than would a similar expenditure bestowed upon scholarships for a very few boys, as had been the custom in previous years. Cameron Beck, the head of the New York Stock Exchange Institute, gave an entertaining and inspiring address. The round table conferences, conducted by capable men and women selected from over forty different vocations and professions, were a valuable help to the boys and girls who gathered from many central Pennsylvania school districts. There was also a conference for teachers and executives interested in vocational guidance in secondary schools.

Several assembly programs, with a small admission charge, were presented by the Boys Federation. The first one of the year was a menagerie of trained animals and birds, "Robert's Pets." Later, the "Dixie Melody Masters," a quartet of harmony and rhythm, voiced a melodic program for the benefit of the student body. James Potts reeled off motion pictures of the 1936 Olympics that thrilled the entire student assemblage. Bewildered and aghast, the group, nevertheless, found "Campbell Company" magicians amusing as well as interesting.

Another important phase of work during the year was the large number of clubs with diversified activities, sponsored for the boys. In this way the Federation provides opportunity for giving pleasure to and furthering the interests of high school youths. Every boy is encouraged to become a member of a club with interests that meet his especial desires or needs.

Standing foremost in the minds of the boys was the annual *Father and Son* banquet, an event of profit and enjoyment. Of primary importance in the success of the evening was the magician who enthused the boys, as well as the parents, who were guests. Following the after-dinner talks was the introduction of officers who were elected, just preceding the banquet, for the following year.

This varied program of activities during the year 1936-37 made the Boys Federation season an outstanding one in the history of the organization.

Girls League

UNDER the sponsorship of Miss E. Marie Lentz, dean of girls, the Girls League, an organization of which every girl automatically becomes a member upon entering Altoona High School, has achieved a record worthy of recognition.

The annual pre-school meeting, held on September 8, featured the "big sister" movement. The incoming sophomore girls appreciated this welcome to their new school home by upper-class girls who had voluntarily assumed the responsibility of giving assistance to those unfamiliar with conditions and routine in Senior High.

At the first general meeting of the League, nominations for officers were made; at the second and third meetings, boost speeches added interest to a spirited campaign. The election was held on October 6.

At the fourth general meeting, held on October 13, the formal installation of officers was conducted by Thelma Davis, '36, as the *Spirit of the Past*. She presented the symbols of office to the newly elected officers. After each response made by an officer installed, a selected group sang the Girls League song. Following the installation ceremony, Miss Jeannette Stevens gave an interesting talk on the Near East, through which she had traveled during the summer vacation.

For the Armistice day program on November 10, Rabbi Hibshman gave an address on "World Peace." The meeting held on December 8 featured the scholarship honor roll of the Girls League and presentation of honor pins—seven gold, thirty-one silver, and sixty-one bronze—to the girls who had attained an average of ninety percent in four solids for three years, two years, and one year, respectively. Mr. Gilbert awarded the pins and congratulated the ninety-nine girls on their fine work.

During February, the senior girls of the League conducted a contest for the D.A.R. award, a trip to Washington during the national convention. Girls who best represented the qualities of dependability, service, leadership, and patriotism were selected by ballot. Betty Crilly, Betty Stevens, and Madolyn Mock entered essays on "What Constitutes Americanism" in the local contest. Betty Crilly's essay was entered in the state contest.

The program for March 9 was in charge of the Entertainment Group, sponsored by Miss Emma Eberle. On March 23 the general meeting was in charge of the Forum Group, sponsored by Miss Ruby Krouse. At this meeting stories were well told by four members. On March 30 a representative from the Eastern Railway System addressed the girls on "Problems of Transportation." The Social Service Group, with Miss Angella Unverzagt as sponsor, presented its annual program on April 27. At the closing meeting of the League, held on May 4, a resumé of the work of the different groups was given.

During the week of April 20, the Knitting and Needlework Clubs displayed in the trophy cases of the school a great many articles made by the members of these clubs. The exhibit included work in embroidery, knitting, and other needlework.

A group of senior and junior girls, under the direction of the League, took a profitable trip to Washington from April 14 to 17. On May 8 the annual dinner for senior girls and their mothers, held in the Senior High cafeteria, proved to be one of the most profitable and enjoyable affairs of the year.

Scholarship awards made by the Executive Committee closed the work of the school term.

THE National Honor Society, established in 1930, is a permanent organization of Altoona High, which gives recognition to student achievement.

Although a prospective member must have a high scholastic rating, this alone is not enough to gain for him an entrance into the society—other requirements being good character, leadership, initiative, and service to the school.

Election to this group may not take place until the end of the Junior year, when students may be recommended and approved by a faculty committee.

It is practically impossible for this society to function as a group; however, many special duties are performed by members who hold prominent offices in the school. Those elected to this society are expected to exemplify a high type of scholarship, leadership, character, and service, not only in the classroom, but also in every phase of school life.

THE Altoona Junior Academy of Science is an honor society which fosters an interest in scientific study and encourages research. It is composed of fifteen senior, ten junior, and five sophomore students who are especially interested in some phase of science. Members are elected at various intervals during the year. At each of the monthly meetings the business session is followed by a program. Occasionally an outside speaker addresses the group, but as a rule the students are entirely responsible for the presentation of the program.

Every year since its organization, the Altoona Academy has taken part in the meetings of the Pennsylvania Academy of Science, of which the local chapter is a member, and it has also taken an active interest in the meetings of the Central Pennsylvania Academy, of which it was the founder. Since the president of the Altoona branch was designated as the presiding officer of the Pennsylvania Academy during the year 1936-37, Harold Smith wielded the gavel at the sessions of the state meeting at Lancaster.

The members held one social in connection with a regular meeting, and they also enjoyed a spring outing.

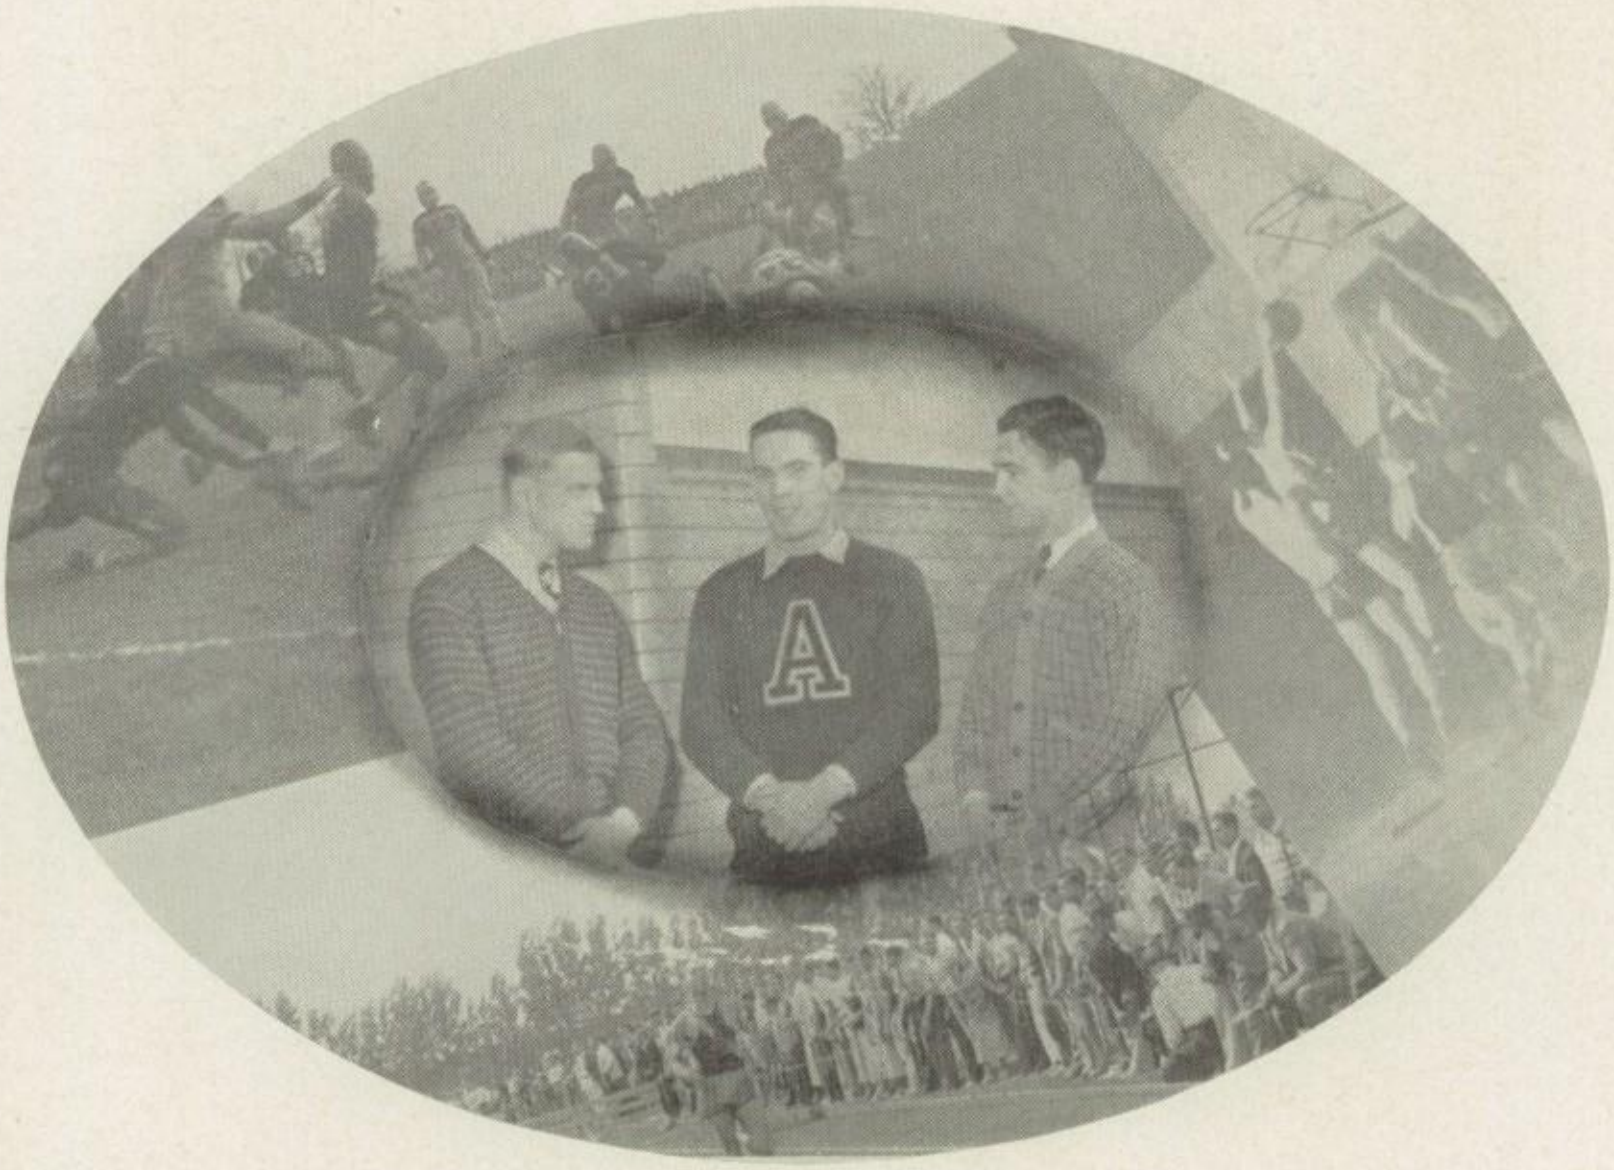
IN an effort to increase the number of subscriptions to *The Horseshoe*, Richard Bertram, energetic business manager, offered an award to the home room that first attained one hundred percent in yearbook sales or, if no room accomplished that, to the one that enlisted the highest percentage of subscriptions. The sales champions were to have a full page in the *Annual*.

The girls of Room 324 firmly resolved to capture the coveted prize, and when the time came to announce the winner, they, like Abou Ben Adhem, "led all the rest."

Uncertain as to what commendation to bestow upon the victors, a *Horseshoe* representative went to interview them. Being very shy, the girls refused to comment, but Miss Faust proudly stated that the group was active, not only in this special instance, but also in many other projects. As an afterthought, she added, "But they do talk a lot . . ."



ATHLETICS

Athletic Council

Seated—Mr. Williams, Mr. Gilbert, Mr. Laramy, Dr. Ray.
Standing—Mr. Wolfe, Richard Barry, Mr. Thompson.

THE management of all athletics in the Senior High School is under the direction of the Athletic Council, which was organized in February 1930 under authority of the Board of Directors. Meetings are held semi-monthly.

The head coach of each sport attends the meetings when matters concerning his sport are being considered. The coach makes recommendations and acts in a consultant manner.

In addition to competition with other high schools in the state, the Athletic Council sponsors a well-rounded program of intramural athletics in the Department of Physical Education. In this way it is possible to have a large number of students participate in the various sports.

The make-up and approval of schedules, purchase of equipment, arrangements for games, adoption of rules and presentation of awards are the main duties of the Council.

During the last year, by authority of the School Board, an Inter-High-School Athletic Council was formed. This Council consists of two representatives from each of three schools—the Keith, Roosevelt, and Senior Highs. Much has been accomplished towards coördinating the athletic program of the three high schools.

National Athletic Scholarship Society

HIGH among the ambitions of varsity letter men is the attainment of membership in the National Athletic Scholarship Society. This selective society was organized to bring about a closer relationship between athletic and scholarship interests and to stress the importance of associating good scholastic work with athletic achievement.

Only those boys who have earned varsity letters in football, basketball, or track and have a specified scholastic standing are eligible for membership in this society. The recognition of athletes, who through outstanding scholastic achievements combined with excellent athletic ability have made themselves prominent, is the chief accomplishment of this organization.

The purpose of the society is to foster high scholarship among boy athletes, to stimulate a desire for balanced training, to elevate the ideals of sportsmanship, and to develop outstanding leaders in the secondary schools of the United States.

SEPTEMBER 19—PAPERTOWNERS PLASTERED

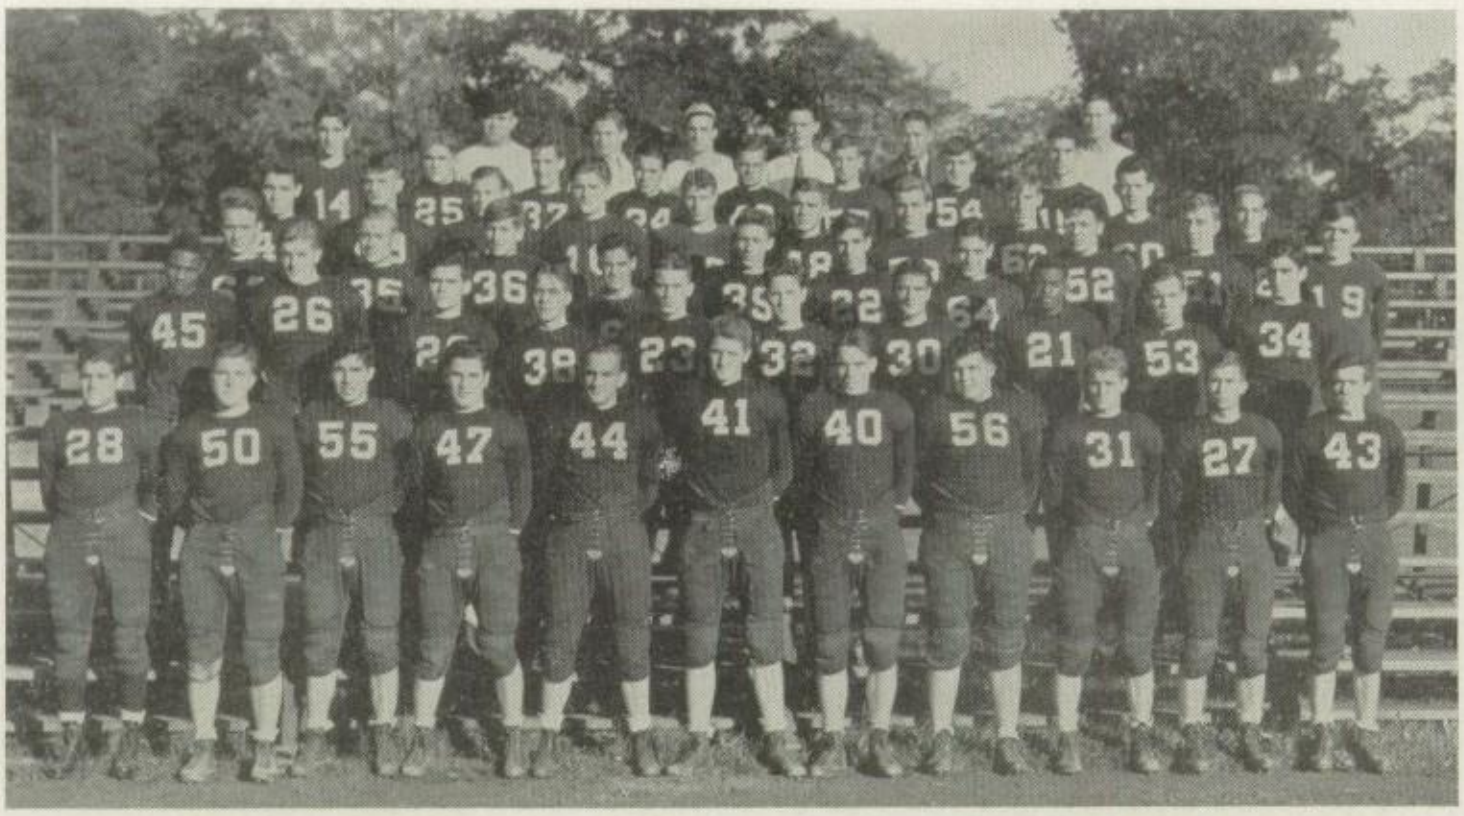
ALTOONA Mountain Lions roared a challenge at Mansion Park in their first game of the season by defeating Williamsburg, 61–0, to set a new point record for high scoring.

Flannagan led the Maroons to a victory over the Papertowners, who were held without a first down. Cassidy, Bush, Davis, Werner, Madden, Brenner, Pippart, and Lach joined in the touchdown spree. Altoona scored three times in the first quarter, five times in the second, and once in the third. "Snaps" Emanuel used all available players but even the fourth team was a worthy opponent for the Williamsburg eleven. The Maroon and White players tried field goals on four occasions to avoid scoring, but still the point total kept rising. Williamsburg had nothing to offer but a fighting spirit, and with the exception of several valiant stands by the center of the line, offered very little opposition.

SEPTEMBER 26—DUBOIS DOWNED

The Maroon and White, entering the second game of the season with high spirits, crushed a heavy DuBois eleven by a score of 31–6.

The first quarter passed with neither side making a score. In the second quarter, after a twenty-seven yard run by Cassidy, Rutolo scored a touchdown. In the same period a blocked punt led to a score by Dickey. The thrill of the day came when Cassidy broke loose early in the third quarter and ran seventy-three yards for a touchdown. Later, after Rutolo intercepted a pass, an aerial to Cassidy netted 34 yards and another touchdown. Altoona's final score came in the last quarter when Madden toted the ball twenty-four yards for a score. The Beavers' lone score came in the last period when Love snared a pass and crossed the goal line. Fumbles, penalties, and a great number of passes helped to make the game interesting.



Front Row—Rutolo, Patronik, Grassi, Corbo, Simms, Irvin, Flannagan, Thompson, Bush, Cassidy, Danemark.
Second Row—Tucker, Ramsey, Martin, Davis, J. Brenner, Dickey, Carnicella, Benjamin, Hall, Dorfice.
Third Row—Beasom, Werner, Lach, Georgiana, Madden, D. Miller, Colbus, Pollock, J. Smith, Hawk.
Fourth Row—Damiano, Frescoln, Wiberg, Reed, Marshman, Pippart, Dan Miller, Farabaugh, Roth, Strohm.

Sixth Row—Mr. Bashore (Line Coach), Bruckman (Manager), Mr. Fuoss (Ass't Line Coach), Mr. Bartholomew (Trainer), Mr. Hancock (Ass't Trainer), Mr. Emanuel (Head Coach).

OCTOBER 3—LEWISTOWN LARRUPED

Under the leadership of Ken Simms, veteran quarterback playing his first game of the season, Altoona continued its winning streak by overwhelming Lewistown, 27–0.

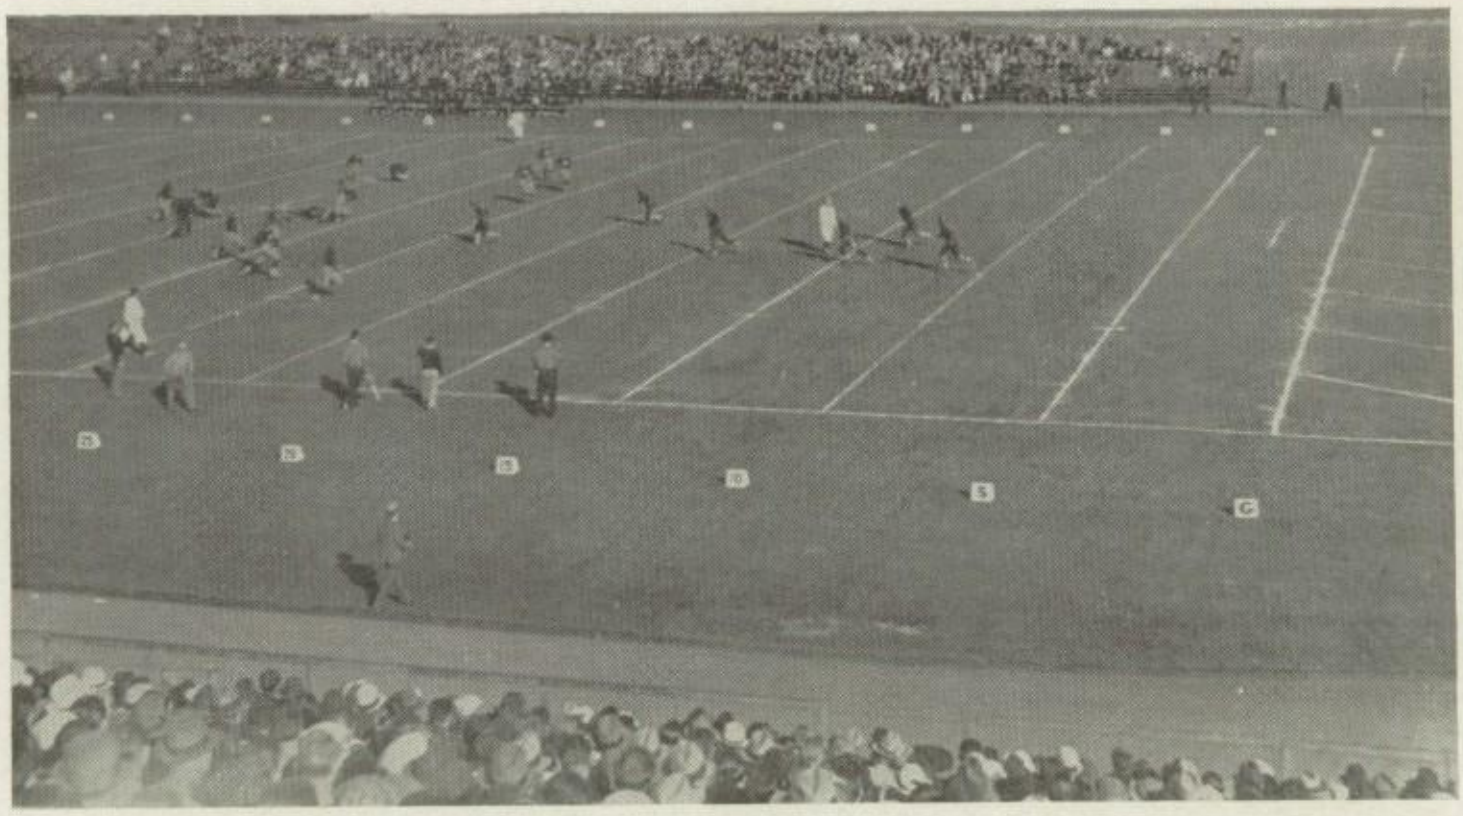
In the first few minutes of the game a blocked punt led to a touchdown by Simms. Two more blocked punts resulted in a goal by Thompson and a safety by Carnicella. In the second period, an intercepted pass and a penalty for interfering with the pass receiver, led to tallies by Madden and Cassidy. The remainder of the game lapsed into a passing and punting duel with neither team able to gain the "break" needed for a score. Lewistown did most of the passing and punting while many Altoona reserves, by batting down passes and otherwise maneuvering, managed to protect their goal. The Altoona players showed their defensive strength late in the game by holding the Panthers for four downs on the four-yard stripe.

OCTOBER 10—LIONS LOSE

The Mountain Lions, followed by a large delegation of rooters, traveled across the mountain to Greensburg, where they saw the Green City lads push the "pigskin" across the goal line twice to give the Maroons their first defeat, and hold them scoreless for the first time in several football campaigns.

This was a game of "Lion vs. Lion" as the Greensburg team is also known as the Lions, and the Mountain Lions seemed to be on the defense most of the time.

The Maroon and White started the game with a fumble and couldn't seem to shake off the "jinx." The game was a hard one and Altoona put up a "game" but losing battle. The Green City eleven forged down the field and scored in



MANSION PARK

both the second and final periods. Many fumbles marred the Altoona offense and even though they were recovered Altoona seemed to get nowhere and only threatened the Greensburg goal line three times. Altoona players showed good sportsmanship throughout the game and were "good losers."

OCTOBER 17—LIONS LICK LOCK HAVEN

Playing in a morass of mud and water, the Mountain Lions copped their fourth straight conference win by submerging a scrappy Lock Haven team, 28–0.

On the upward climb after their defeat at Greensburg, the Lions took to the mud as a duck takes to water and played a game which surpassed all previous ones in good performance. Altoona scored in every period with Bush, Rutolo, and Gutshall making the tallies. All players in uniform saw action at some stage of the game. The last quarter ended in a downpour which drove most of the fans away, leaving the muddy field almost entirely to the players.

OCTOBER 24—WINDBER WINS

A fighting Lion team in its fifth conference game failed to hold Windber's "iron men" and lost the game, 20–12. Altoona showed real fight throughout the game and the Coaltowners' victory over the Maroons was quite a surprise.

Windber started the scoring in the first quarter, when after an exchange of punts, they took the ball on Altoona's 38-yard line and marched to the 9-yard line where an aerial from Freeman to Bossick was good for a touchdown The Lions retaliated in the second quarter when a pass, Simms to Cassidy, netted 19 yards and a goal which knotted the score 6–6. At the half Dickey collapsed because of injuries and didn't return to the game.

Second Row—Chevalier, Ehringer, Glenn, Love.
Third Row—Ball, Kuhn, McCormick, Reffner.

In the third quarter the Lions clawed their way to the Windber 4-yard line and again Cassidy scored giving the local boys a 12–6 lead. Later in the same quarter, after Simms had retired, Windber again pushed the ball across and converted the extra point to lead the Maroons, 13–12.

In the final period Rutolo was injured in a goal line stand and left the game. Windber lost the ball on downs to Altoona on the 4-yard line as Flannagan left the game with an injured shoulder. Werner made 6 yards and Benjamin 3 to put the ball on the 13–yard line. Then came a crushing blow. Bush fumbled, Windber recovered, Altoona was penalized, and the ball rested on the Maroons' 1-yard line. On the first play Bossick lunged over and Sekala place kicked to cinch the game, 20–12.

OCTOBER 31—UNIONTOWN UPSET

Meeting Uniontown, a newcomer on Altoona's schedule, the Emanuelites ran wild and trounced the visiting eleven, 40–0. Several players did not see action as they were recuperating from injuries received in the Windber game.

The game was as one sided as the score shows. The Lions, trying different plays, pushed the oval across six times and made four of the extra points to take a 40–0 decision from Uniontown. Both sides tried passes galore and many were completed for nice gains. Many fumbles featured the game as the A. H. S. reserves were anxious to "strut their stuff," and the Uniontowners were just as determined to stop them.

There were six musical units present for this game. Altoona High School, Roosevelt Junior High School, and Keith Junior High School each had a band and a drum corps at the field. These organizations gave fine performances before the game and during the half.

Second Row—Moses, Auker, Miller, Gutshall, Tressler.

NOVEMBER 7—EMANUELITES EQUALED

Altoona's friendly rivals from Johnstown came over the mountain for their seventeenth annual grid clash. Both teams were keyed up to the highest pitch and were expecting to win. After 60 minutes of play all that remained was a 0–0 deadlock. The Mountain Lions did everything but win. They outplayed the Jawns from start to finish, and even scored a touchdown which wasn't legal because the officials ruled that the pass receiver was offsides.

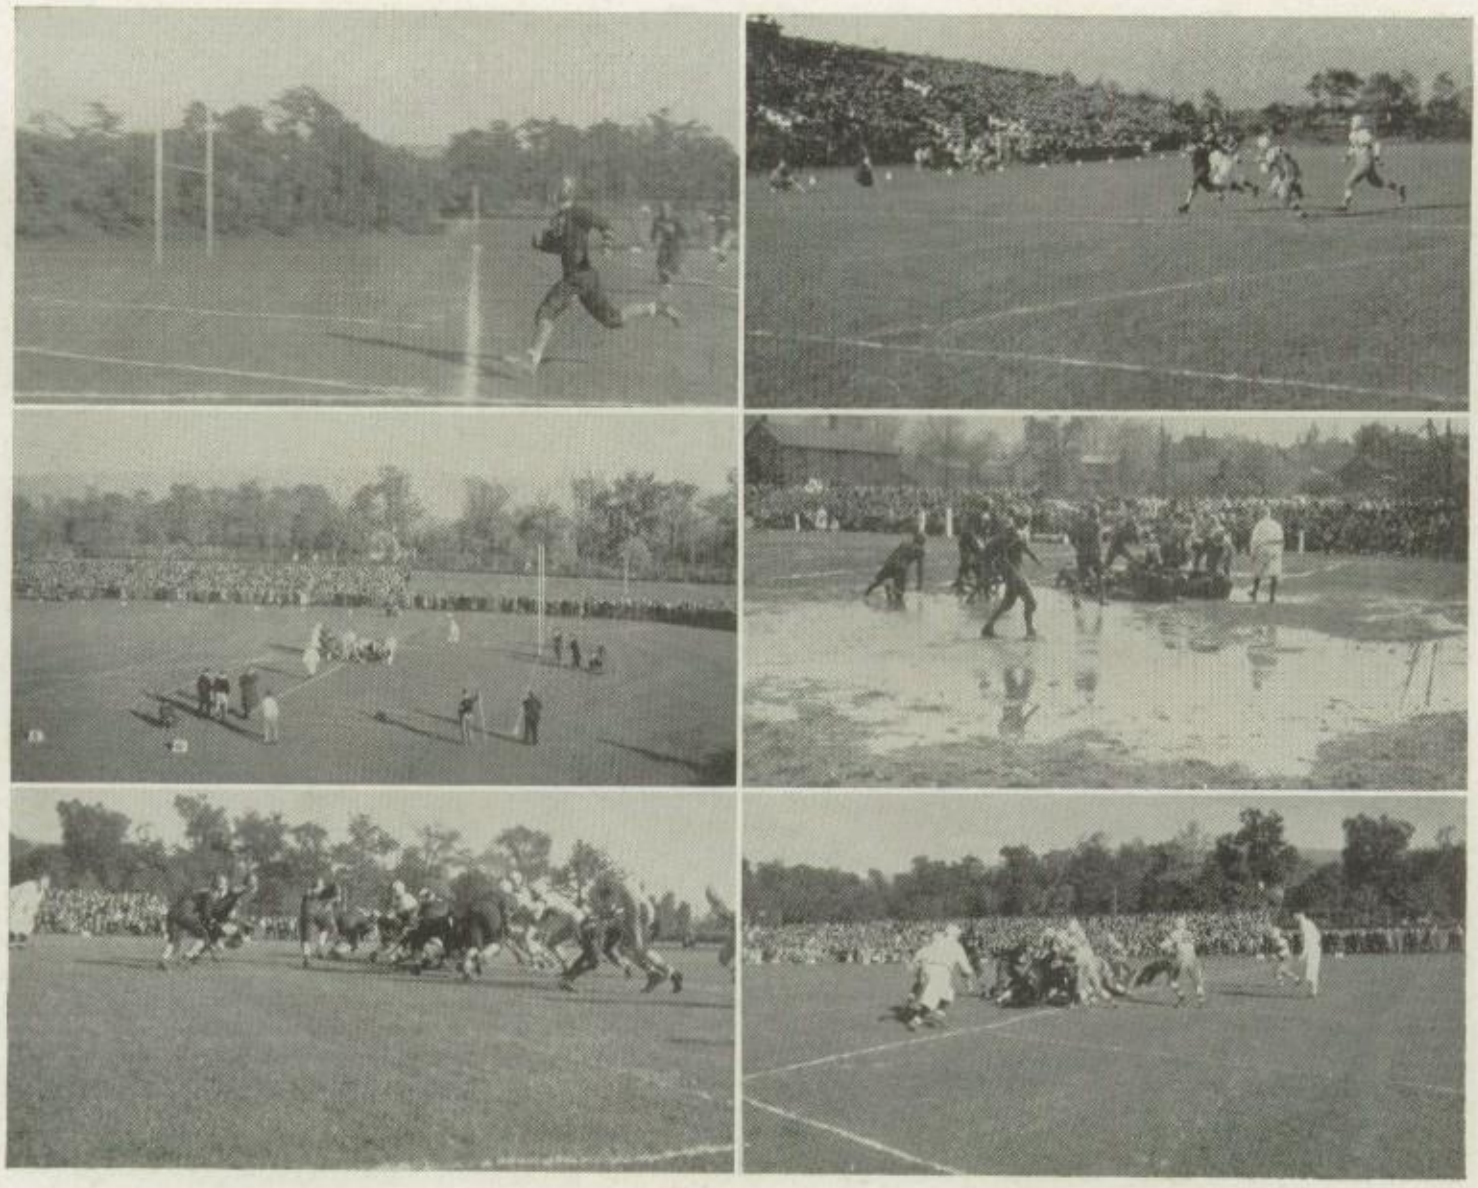
The Lions put on three power drives during the game, and had the Johnnies moving backward, but the closest the Maroons got to an official score was as far as the 9-yard stripe. The game was the cleanest of the season at Mansion Park, and despite the hard playing there were no serious injuries.

In the first period, Altoona marched 43 yards, only to lose the ball on the visitor's 15-yard line as a result of a costly fumble. However, a few minutes before the quarter ended, Patronik recovered a fumble by Benya, on Johnstown's 20-yard line and again put the Lions in scoring position.

When the second quarter started the Maroons moved up to the 9-yard mark where their only touchdown was ruled illegal. In the same period the Altoona eleven steamrollered its way to the opponent's 11-yard line where they lost the ball on an attempted field goal, which was blocked by Benya.

The third period was a punting contest with neither team making a first down.

The Jawns made their initial first down on the opening play of the final period as Obara took the ball to Altoona's 46-yard line. After an exchange of quick kicks, the Jawns moved into scoring range, on Altoona's 25-yard line, but lacked the power needed for a score. The Maroons took the ball on downs and, putting on a belated spurt, managed to reach the visiting team's 25-yard line but were forced to punt over the goal line a few minutes before the final gun. Captain Flannagan presented the ball to Captain Joe Benya as the climax to a great day.



1. Cassidy making touchdown in DuBois game (73 yards).
2. Madden on the fourth touchdown of Lewistown game.
3. Altoona's goal in second half of Windber game.
4. Line plunge just before second touchdown in the Lock Haven game.
5. Cassidy about to start on end run in the Johnstown game.
6. Rutolo trying a line buck in the Lewistown game.

NOVEMBER 14—HUNTINGDON HUMBLED

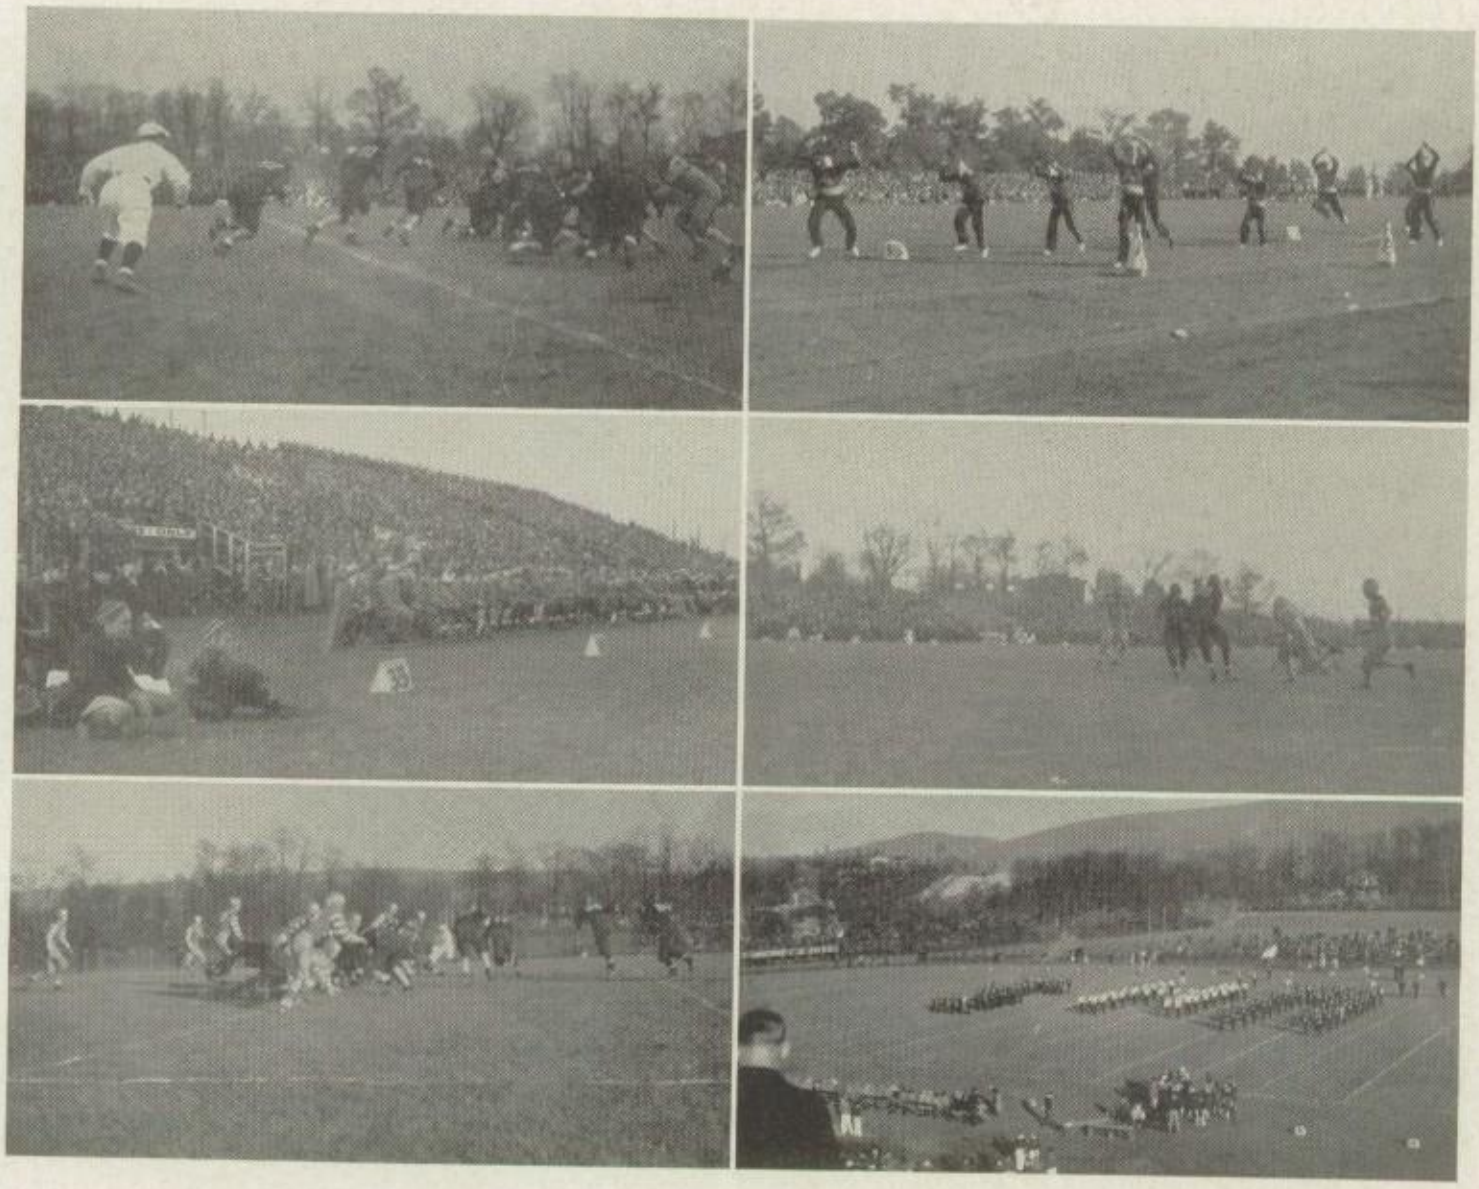
The Maroon and White clad eleven of Altoona ran wild and smothered the Huntingdon Bearcats, 46–0. The Bearcats, on the defense most of the time, were unable to halt the Lions who unleashed everything in the bag to put on what looked more like a practice game.

Seven times the local boys pushed across the goal to ring up a total of 46 points in a game which featured long runs, many passes, and much punting. Don Cassidy, right halfback, starred for Altoona with runs of 6, 8, 34, and 50 yards. Gerald Bush, his running mate, rang up 12 points and Preston Gutshall, ace quarterback, made a 44-yard run for a score. The reserves took charge of the field during most of the final period and put on quite a show.

NOVEMBER 21—PORTAGE PASSES PLENTY

Altoona Mountain Lions, using power plays, crossed the goal line seven times and took a decisive victory from an air-minded Portage eleven. The Blue and Gold put on a thrilling aerial attack and tossed 56 passes but failed to reach the payoff stripe.

Bush and Cassidy scored in the first quarter which ended with Altoona in possession of the ball on the half-yard line. Gutshall opened the second quarter



1. Line-up two plays before fourth touchdown in Lewistown game.
2. Cheerleaders giving "Little Tiger Wee—Big Tiger Wow."
3. Section of stands during Johnstown game.
4. Pippart catching pass on goal in Johnstown game. Play called back for offsides.
5. Play in the Uniontown game.
6. Band formation, U. H. S.

by taking it across. Later, Cassidy made a 53-yard dash and pulled up in the end zone with another six-pointer. Bush and Cassidy scored again in the third quarter and Lach ended the scoring in the final period by sliding off tackle and crossing the goal. The outstanding player on the Portage team was Layo, left end, who hurled all 56 of the Portage passes and made 21 of them click. The real drive of the Portage team came in the final period when they went from their 5 yard line to Altoona's 16 but were unable to push the ball across

NOVEMBER 26—TYRONE TAKES TROUNCING

On Thanksgiving Day Altoona let loose and crushed Tyrone's Orangemen, 34–7. Blending power with a wide open attack, the Maroons held the advantage all the way and turned in a fine performance to end the 1937 football campaign.

Cassidy, on a 53-yard sprint, scored the Maroons' first touchdown, late in the first quarter. Pippart, Gutshall, Patronik, and Simms also took part in the scoring. Shan Ammerman starred for Tyrone, by turning in the longest run of the day, good for 76 yards and their only score.

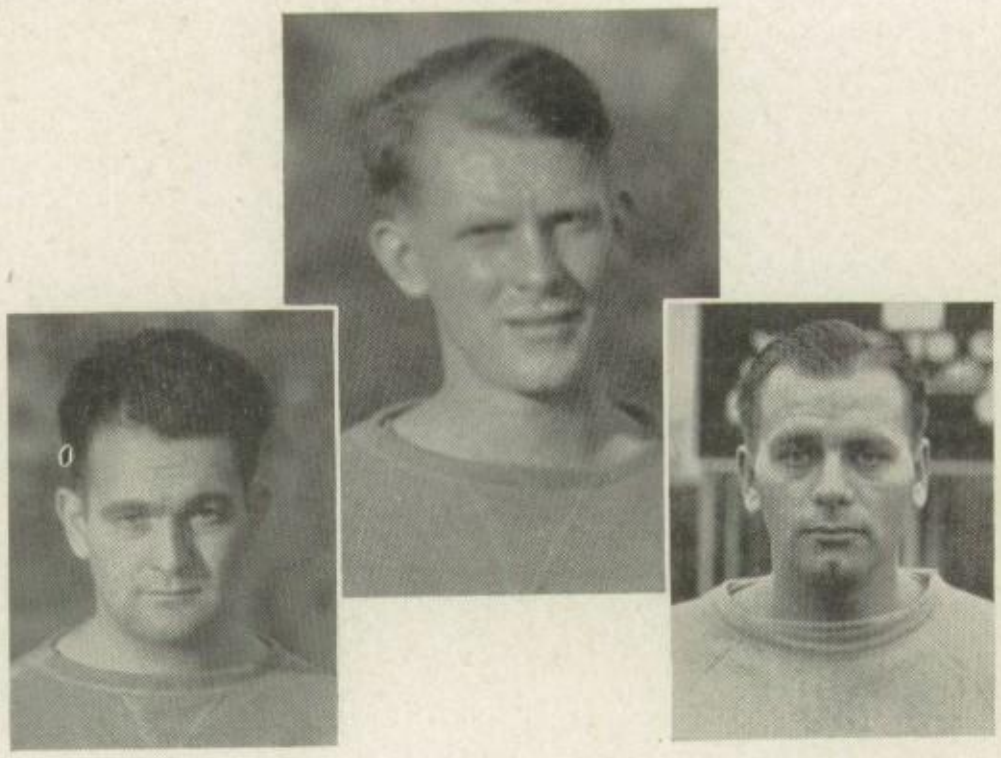
Junior Varsity Football



Mr. Black Mr. Morse Mr. Adams

THE Junior Varsity football squad, coached by Mr. Morse, one-time A. H. S. three-letter man, completed a short but successful schedule. Playing a series of four games, they won three and tied one. The Junior Varsity also furnished excellent practice for the Varsity.

Using plays supplied by football scouts, the Jay Vees employ tactics such as the Varsity is most likely to meet in regular opposition, and in this way give valuable training to the Varsity teams. Throughout the season they fight stubbornly and are seldom praised for their fine work. This is the group which will provide us with "stalwart" men for the next year's team. Perhaps the student body should give a little more recognition to the fine work done by these faithful fellows. Who knows—perhaps this year's Jay Vees will be next year's state champions?

DECEMBER 12—BOSWELL BOWS

Thirteen Altoona High Varsity Cagers launched the 1936-1937 basketball season on the Roosevelt floor by upsetting Boswell, District No. 5 champion, 33-13. The Lions, starting with Anske, Knepley, Willaims, Mock, and Connelly, piled up an 11-1 lead in the first quarter. They took the second period 6-5, and the third and fourth 10-6 and 6-1, respectively, to come through with flying colors and a 33-13 final count. Anske and Knepley were high scorers with 8 points each.

DECEMBER 18—JUNIATA JUMPED

Altoona Mountain Lions met the Juniata Freshmen on the home floor and annexed the second game of the season, 37-14. The Huntingdon visitors started things and had the edge 4-0 before the Maroons rallied and tied the score. The first period ended 6-6. During the game all players saw action. Altoona maintained a decided margin for the remainder of the game and it ended 37-14.

DECEMBER 19—ALUMNI AIRED

The Satin Steppers ended the 1936 season by defeating Dr. Tippery's veteran Alumni squad, 36-13, on the Roosevelt floor. Under the leadership of their newly elected captain, Tom Connelly, the Maroon and White held the Alumni scoreless during the first half which ended 23-0. Late in the third quarter the Alumni got under way but it was too late and the Lions walked away with their third victory, 36-13. Knepley was high scorer with 9 points.

JANUARY 8—WESTMONT WALLOPED

The Altoona Quintet won its first league game by walloping Westmont Upper Yoder, 33-10, to take its first win of 1937. The Red and Gray passers from Westmont proved to be "easy" and the Altoona boys hung up their fourth straight game. The Maroons had the game on "ice" from the start and allowed the "Yoderites" just four field goals during the entire game. Anske and Knepley were high with 8 points each. Williams, Mock, and Gutshall each had 4 points while Connelly, Bidoli, and Farabaugh each registered 2.

JANUARY 9—PREP PASSERS POOR

The Maroon and White Five turned in its fifth successive victory by disposing of Kiski Prep in fine style. The Kiski boys were outclassed from the start and Altoona rolled up the points in short order. Anske had a total of 15 points. The Kiski team missed a lot of baskets while the Altoona boys put on an exhibition of deadly shooting from all points on the floor. During the last quarter Kiski made things interesting by "roughing" it up a bit. The Altoona reserves saw action and turned in their share of points.

JANUARY 12—ALTOONA ADDS ANOTHER

Altoona traveled to Portage to play its first "away" game of the season. Portage rolled up a high score on Altoona and sunk ten baskets. Altoona was slow in starting but held the lead by two points at the end of the first quarter which ended 9-7. At the end of the third period Altoona enjoyed a 32-16 lead. With Altoona substitutes in the line-up Portage featured the final period, 9-2. Anske and Knepley again shared the honors with 12 points each. The final score was 35-25.

JANUARY 15—JOHNSTOWN JOLTED

Altoona again traveled to score the first win for Altoona against a team coached by Foxy Miller. Running wild in the first half, the Maroon and White Cagers piled up a 22-6 margin on Johnstown. The Lions had the game sewed up, 28-15, at the end of the third quarter, but the Jawns surprised Altoona in the last period by sinking a lot of wild shots to bring the final score to 31-26. Knepley and Williams took high score laurels with 10 and 9 points, respectively, as Vargo, with 10 points, made the highest individual score against Altoona. Many Altoona rooters attended the game. The A. H. S. band kept the fans in high spirits.

JANUARY 23—"BILLPORT" BEATEN

Altoona High put on a "carnival" night in the Roosevelt gymnasium and had a full house as they overwhelmed Williamsport's Cherry and White, 42-18. Besides the basketball games there were four boxing bouts which were part of the High School Intramural Sports Program and a parallel bar exhibition by Tony Georgiana and Bob Crum. The fans thoroughly enjoyed this program.

The visitors started the scoring but the Maroons soon got under way and took the first quarter, 12-5. The Satin Steppers also took the second period and enjoyed a 30-8 lead at half-time. Williamsport took the third period, 5-4, and Altoona the final one, 8-5. The reserves contributed to the point total, and Bidoli made a basket which didn't count as the gun had "jammed" and the game had been over for almost a minute. Anske and Knepley were high with 10 points each.

JANUARY 29—FERNDALE FLATTENED

Altoona High hung up the ninth straight cage triumph, as they whipped Ferndale High, 38-17, on the Ferndale floor. Anske and Mock, both with leg injuries, saw action and turned in fine performances despite their handicaps. Anske was high point man with 13 points, while Williams registered 12. The Maroons took the first two quarters, 8-5 and 10-8 to lead at half-time with an 18-13 score. For the first time this season Altoona really spurted in the final half, the Maroons previously rolling up a high score the first half and coasting through to the finish.

FEBRUARY 2—WESTMONT WHIPPED

The Maroons "quit the road" for a spell, after defeating Westmont Upper Yoder on the Westmont floor. It was the second win over the Yoderites and the A. H. S. Cagers easily annexed their tenth game. Anske and Mock, with 9 points each, led in the scoring while Connelly, Williams, Knepley, Cassidy, Patronik, and Bidoli scored 8, 7, 6, 2, 2, and 2 points, respectively, to take a 45-19 decision.

FEBRUARY 5—PORTAGE PASSED

The Maroon and White Cagers met Portage for the second time this season and rung up a 33-10 score to add another victory. This was the main event on Altoona's second "carnival" program which included the intramural wrestling finals and a gym exhibition. The Maroons easily won from the Portage five and allowed them but two field goals, which came late in the game. Anske, high scoring forward, led with 8 points while his running mate, Bob Knepley, watched the game from the bench, due to illness. Layo scored both of Portage's goals.

FEBEUARY 13—MAROONS MAKE MERRY

The Maroon and White Quintet rejoiced when it trimmed the Jawns for the second time, 29-25. Before the season's biggest crowd, the Lions snatched their twelfth victory from a fighting Johnstown team. The Lions started the game in a whirlwind of action and soon had a 7-1 lead. At the end of the first period, however, the Jawns had tied the score, 8-8. The Flood City boys sunk a foul and held the lead as the second quarter started, but Altoona rallied and held the edge 14-9 at the half. In the third period Johnstown twice tied the score, at 14 and 16 points, but Altoona managed to move ahead and the quarter ended 20-16. The final period went 9-9 and the game ended 29-25. Tom Vargo starred for the visitors by flipping in five long shots to duplicate his high individual score of 10 points against Altoona, while the local star was Mock with 10 points also.

FEBRUARY 20—JEANNETTE JOINS "JILTED"

The entire squad of thirteen players saw action and assisted in whitewashing the Jeannette basketeers, 40-11. Meeting Jeannette for the first time in any sport, the Maroons found the visitors a "cinch." Clicking from the start, the Lions took all four quarters by good margins. The second team saw plenty of action as the varsity took things easy. In the final period the visitors turned on the rough western style of play and fouls were many. Each team landed but two field goals the final half while Altoona was busy shooting a dozen fouls.

FEBRUARY 26—FERNDALE FLASHES FOILED

Ferndale came to Altoona and flashed a new defense which the A. H. S. quintet had trouble to overcome. Before an even larger crowd than that of the Johnstown game, Altoona won its toughest game by a two-point margin. The Ferndale boys started the scoring with a basket, but Bill Mock went on a spree by making five consecutive points as Altoona took the first period, 7-5. At half-time the locals held a 14-7 lead. As the third period opened the visitors landed two quick baskets but the Maroons still led 18-14 as the quarter ended. In the closing minutes the Lions had to "freeze" the ball as the visitors were banging away from beyond the center of the floor in an effort to tie the score. The final score was 20-18, Altoona's lowest and closest score of the season.

FEBRUARY 27—WILLIAMSPORT WILTS

Altoona journeyed to Williamsport and ended the regular cage season, undefeated, by taking their fifteenth consecutive game. This was the second undefeated regular season for basketball in the history of the school. The Maroons found the game easier than they expected. The Cherry and White put up a fine scrap the first half and had the game tied at twelve points. The A. H. S. basketeers got the "feel of the springy boards," however, and rolled up 24 points during the second half while Williamsport bagged but five. The final score was 36-17 as Anske starred with twelve points.

MARCH 9—ALTOONA ACES ASCEND

Altoona entered the District 6 eliminations with a "clean slate" and climbed another rung toward the "crown" as they conquered a fast Franklin High team, 24-15. The Lions, eager to add to their fifteen-game victory string, got off to an 8-2 lead in the first quarter and not once did the Franklin team cut down that 6-point lead. The second quarter went 7-7 and at the half the Maroons held the edge, 15-9. The Franklin lads were whitewashed as Altoona took the third period 3-0, and they failed to cut down the lead during the final period which went 8-6 in favor of the Lions. This game, staged at Johnstown, drew many fans from Altoona.

MARCH 12—SATIN STEPPERS SHINE

The Maroon and White Quintet journeyed to State College and qualified for the District 6 finals by turning back the Lewistown Panthers, 23-8. Yerg, lefthanded forward, started things for the Panthers by dropping in a field goal, but from that time on the Panthers played the defensive. Altoona took the first period 4-2, and ended the half by leading Lewistown 11-3. Lewistown gained hope as the Panthers swished two quick baskets through in the third period but Altoona managed to stay ahead and the period ended 13-8. Using all available players, the Maroons held the Panthers scoreless in the final period and rang up 12 points to end the game.

MARCH 16—CRESSON CONQUERED—"CHAMPS" CROWNED

The Mountain Lions annexed the District 6 championship by humbling the Cresson team to the tune of 40-18. The scoring opened when Cresson sunk a foul but the tables soon turned and Altoona took the lead to end the first quarter 13-2. Cresson opened the second period as Cassidy, on a long shot, made their first goal, but the half ended 17-5 in favor of the Maroons. The Lions opened the third quarter in a "breezy" fashion and made four baskets and six fouls to lead 31-9 as the final period started. Cresson dropped two long ones and a short one through the net and the Altoona reserves went in to finish the game.

MARCH 20—FORDERS FIGHT FUTILELY

The Altoona Basketeers, District Six champions, entered the semi-regional finals and continued to climb as they won a hard-fought battle from a fast Ford City team. Altoona centered its offense around Anske, rangy forward, who made 16 of the team's 30 points to set the season's individual high scoring record. With a tight defense the Lions held the Forders to a 4-1 first period score. The half ended 9-4 in Altoona's favor. In the third frame the Lions s owed up and the Ford City squad, led by Jackson, colored ace, and Holley, tall center, spurted and heaved in five loopers to give a 19-18 score at the end of the third period. Anske again put the Maroons out in front as he made his fifth goal. Altoona remained in the lead and with 30 seconds left to play Anske made his seventh field goal; Holley followed with another for Ford City. Mock made his free throw as the game ended 30-26.

MARCH 24—SOUTH SUBDUES "SNAPS" STARS

The Orioles of Pittsburgh South High warbled merrily as the Altoona Lions' roars grew feeble and were lost altogether. The Orioles won, 37-20, to hand the Mountain Lions their first and only defeat of the season. It was Altoona's twentieth game and initial loss.

Knepley started the scoring for Altoona with a basket but the South High boys got under way and soon were leading. Preston Gutshall, inserted near the end of the first period tied the score at 10-10 with two "nifty ones" as the quarter ended. The second period went 7-4 in favor of South High as Harowski and Wasik featured several sensational baskets. Gutshall and Mock also registered goals but Altoona fell behind by "blowing" four fouls. In the third period the Altoona defense crumbled completely and South High rolled in six baskets so fast that the Altoona fans were left breathless. Altoona "dogged" several "peep" shots but Knepley came through with a basket to end the period 31-18. Yellig featured this period with three grand long shots.

With the game out of control, "Snaps" used all reserves in the final period which went 6-2 in favor of South. Walko and Yellig went out on "personals" but they had already done enough damage. Yellig was high point man with 14 points, the highest individual score made against Altoona during the season. Wasik and Harowski also topped Altoona's high score, 6 points by Gutshall, by making 9 and 7 points, respectively. Altoona, rather than take a chance on long shots, was game to the finish and kept trying to work the ball into the basket.

However, Altoona ended a very successful season and for the second time in its basketball history ended a season with 19 consecutive wins.

APRIL 4—INTERCLASS

AFTER many weeks of conditioning, the varsity track squad competed for the first time under uniform rules and regulations. In the two previous conditioning meets, the younger boys were given handicaps.

The seniors won as in former years by a large margin, mostly due to the greater experience. Captain Kinzle easily won both hurdle events, while Ammerman and Benjamin, outstanding underclassmen, easily won their events. Cheers cleared 11 feet 6 inches in the pole vault, and Ickes ran wild in the weight events to gain the honor of being the individual high score man with three "firsts."

APRIL 8—ALUMNI

Again the stars of yesterday returned with high hopes of annexing the title. As before, their high hopes were blown to the high heaven; but not quite so high as in former years. The Lions scratched hard, and finally pulled through. The Alumni took all places in the sprints, second in the high jump, and placed in all the weight events.

Cheers, Benjamin, and Kinzle took firsts in the pole vault, high jump and broad jump. Ammerman won the mile, Mills the half-mile, and Kinzle took both hurdle events. "Truck" Hanley, individual star for the old-timers, took the hammer throw with ease, while Ickes took first place in the javelin.

Coach Bartholomew

1. Half-mile. Tie between Mills and McGlinsey. New District Six record. (2 min. 4 sec.)
2. Cheers, pole vaulting at State College. (11 feet 9¼ inches)
3. Donn Kinzle, 1936 track captain.
4. Benjamin, high jump at State College. (5 feet 11 inches)
5. Patterson, quarter-mile. New District Six record. (51.9 sec.)
6. Tregoning, hundred-yard dash in District Six meet. (10.1 sec.)
7 Kinzle, new state record in 220-yard low hurdles at State College. (24.3 sec.)

APRIL 24 AND 25—PENN RELAYS

Coach Bartholomew took his relay teams to Philadelphia to compete in the schoolboy events. Altoona entered three events and placed second in the regular mile relay; Lancaster High won this event by a hair's breadth. Ewell, star quarter miler, raced nip and tuck with Kinzle in the last quarter, and won with a final burst of speed in the home stretch. Altoona's other entries in this event were Tregoning, Mills, and Leroy Patterson.

The Lions also entered the two mile classic, but their chances were ruined when Ralph Patterson tore a tendon and was forced to withdraw. Altoona fared a little better in the medley relay by taking fifth place in competition with forty-four teams. The Altoona runners were Mills, Kinzle, Tregoning, and Ammerman.

APRIL 29—PITT FRESHMEN

After three small handicap meets the Lions met a strong Pitt Freshman squad. The two teams had many outstanding entrants who fought hard to bring home the bacon but the meet ended in a deadlock, 63-63. The Pitt squad lead all the way but in the last event, after "Red" Irvin took first, Steve Lach threw the hammer far enough to earn himself a second place and enable Altoona to tie Pitt.

Captain Kinzle broke both hurdle records by running the high timbers in 15.2 seconds and the lows in 24.3.

The mile event in which Ammerman, Altoona's star miler, and Woodruff, former Connellsville star and holder of the state record for the mile, was the most exciting event of the afternoon. Both men ran hard but, in the last three hundred yards, Woodruff forged to the front and finished 5 yards ahead of Ammerman. The time was 4 minutes and 33 seconds.

MAY 9—VILLANOVA MEET

Competing with only ten athletes, Altoona easily won over twenty other eastern high schools. The Altoona tracksters scored forty points, nine more than West Catholic, their nearest competitor.

Lloyd Ickes took the javelin event with a throw of 179 feet 4½ inches, which bettered Armstrong's former Altoona High record by five feet. Ammerman, leading the pack by a good 50 yards, won the mile in 4 minutes and 32 seconds. Leroy Patterson ran third in the quarter, while McGlinsey took third and Mills fourth in the half. Captain Donn Kinzle won the 120-yard high hurdles and took second in the broad jump. Cheers annexed the final first place by easily winning the pole vault.

MAY 16—DISTRICT SIX

The Mountain Lions won eleven firsts out of a possible thirteen to annex the title for A class schools. The Lions showed rare form as they broke four district records. Captain Donn Kinzle shattered the district mark and set a new P. I. A. A. state record when he won the 220 low hurdles in 23.8 seconds, breaking the former mark by .6 of a second. He came within .3 of a second of breaking the World's Scholastic hurdle record of 23.5 seconds. Leroy Patterson bettered Francis Rhodes' quarter mile record, made in 1930, by 1.1 second reducing it to 51.9 seconds. Eddie Ammerman set a new mile record of 4 minutes 31.2 seconds. Ken Mills and Jim McGlinsey finished in a deadlock to break Max Watson's half-mile record by .5 of a second. Their time was 2 minutes and 4 seconds. Benjamin, sophomore star, clearned the bar at 5 feet 11 inches to tie the record made by McWilliams a year ago and break the Altoona record by 3 inches. Roger Maurer of State College broke the other A class mark by taking first place in the broad jump. He raised his own mark of 21 feet 6½ inches by ½ inch to bring his record to 21 feet 7 inches. Kinzle was second with a leap of 21 feet 6 inches.

The Lions finished the meet with 94 points, 61½ more than their nearest competitor, State College.

MAY 24—STATE CHAMPIONSHIP

The Altoona Mountain Lions again annexed the state championship in a meet held at State College. The Mountain Lions did very well considering that they were competing against individual stars from all over the state. Kinzle won first place in the hurdles by topping them in 24.3 seconds, thus breaking the state record. In the pole vault, Cheers cleared 11 feet 9¼ inches to better the record held by Ulysses Wharton. However, it does not establish a new record as Cheers did not take first place. Ammerman broke the high school record in the mile but it was not official as he was passed a yard from the tape by Frank Maule whose time was four minutes and twenty-eight seconds. Ickes finished fifth in the javelin with a toss of 170 feet 9 inches and Benjamin tied for fifth in the high jump at 5 feet 9 inches.

Altoona's relay team experienced hard luck in its races. Altoona finished its heat twenty-five yards in the lead but two other teams had better time so Altoona ranked third. This brought Altoona's point total to twenty-four and one half, just enough to win the individual trophy. In the scoring by districts Altoona contributed twenty-four and one-half of the twenty-nine and one-half points as District Six took fourth place.

With the closing of the meet, Altoona closed another successful season and said good-bye to several great athletes.

CROSS COUNTRY TEAM

This year, for the first time, Altoona sponsored a Cross Country Team. This team participated in two meets and did quite well.

The first meet was the annual State Cross Country grind which was held at Schenley Park in Pittsburgh. The Altoona harriers, eight in number, took second-place team honors and Captain Ed Ammerman was runner-up for individual honors. Running over the two and one-eight mile course, Eddie Ammerman set the pace most of the way but was outdisanced by Ed Roberts of Brentwood High, who came through with a sensational fifty-yard spurt to take first place with a record time of 11 minutes and 42.2 seconds. Claybaugh of Altoona was ninth. Meredith and Patterson also finished among the first twenty. A field of one-hundred twenty-four boys took part in this meet.

The Altoona Cross Country team was also represented in the Annual Cross Country Championship Race held at Newark, New Jersey. Eddie Ammerman, in competition with two hundred twenty-two boys, placed tenth. His time was 13.54 minutes while the winner, Ray Trail, an Indian from Mt. Pleasant, New Jersey, was clocked at 13.08 minutes.

1937 TRACK SLANTS

On March third, the 1937 call brought about one hundred seventy-five track and field candidates. After practicing several weeks in the high school basement and gymnasium, the tracksters reported to Mansion Park where they were assigned lockers and given equipment. The field was in fine shape and the boys were listed according to the events in which they wished to participate.

As last year's team lost many members by graduation, few lettermen are available and Coach Bartholomew must develop a number of entries in all the track and field events.

On March thirty-first the team held its first handicap meet. Over one hundred boys competed in this event and several new records were made. Captain Tregoning set a new record for the 300-yard run. His time, 33.6 seconds, clipped .5 seconds from the old record. Good times were also recorded in the 70-yard high and the 130-yard low hurdle events and the meet record for the high jump was tied.

On April third the team held its second handicap meet before a crowd of about two hundred fans. The weather was none too good and the track was damp. However, Captain Tregoning again lowered the time for the 300-yard run by one second. He did the "300" in 32.6 seconds to break his record of 33.6 established in the first handicap meet. No other good times were reported, but Coach Bartholomew was well pleased with the improvement shown by his boys. The weight men, especially, showed much improvement. A. H. S. is looking forward to another state track and field title.

Intramural Sports

In addition to the major sports in the Altoona High School, the Physical Education Department offers an intramural sports program, in which any student may compete with others in his own class.

This system has met with general approval and much success. In the last few years it has expanded quite rapidly and now offers an extensive program. In addition to teaching the boys the rules and regulations of the various games, it helps to promote a feeling of sportsmanship. The manager of this year's intramural program was James McCord; he was assisted by Skelley, Shinafelt, Seitz, Kuhn, Frezza, Fleck, and Russell. Milton Benson was the intramural referee.

BOXING

The boxing finals were staged in the Roosevelt gymnasium as an added attraction at the Williamsport basketball game. The boxing champions are as follows:

105 lb. Class—Max Baker, K.O. in the third round over Don Fauth.
125 lb. Class—Al Frezza won decision over Al DeBernardis.
145 lb. Class—Vic Venettozzi won decision over Bob Thompson.
155 lb. Class—Earl Strohm won nod over George Conway.

WRESTLING

At the wrestling finals held in the Roosevelt gym, five new champs were crowned.

125 lb. Class—Paul Waite defeated Leo Byrne.
135 lb. Class—Clarence Yon flopped Ken Wood.
145 lb. Class—John McIntyre beat John Lingenfelter.
Heavyweight—Dave Irvin tossed Bob Werner.
Bob Thompson flattened Tom Corbo.

FOUL SHOOTING

The annual foul shooting contest was held in the boys' gym. Dave Meyer dumped in 59 out of a possible 100 to take this event. Bob McDowell was second with 56; George Bragonier was third with 53.

TENNIS

Due to the weather conditions the tennis playoff went only to the semi-finals. The boys who still remained in the competition were as follows:

Seniors.....Houseman and Reifsnyder.
Juniors.....Louder and Wilson.
Sophomore.....Yon.

TOUCH FOOTBALL

Room 304, in a hotly contested battle, beat B-5 for the championship. Players for room 304 were Andrews, Auker, Arble, Barclay, Barnhart, Bertram, Johannides, Titleman, and Young.

GYMNASTICS

This form of competition includes pendulum vaulting, elephant jumping, pushups, chinning, rope climbing, and various other contests of physical strength and skill The boys put on several exhibitions in the Roosevelt gym as "extras" at some of the home games. The fans thoroughly enjoyed these feats of skill and strength and the boys got quite an ovation for their fine work.

MUSHBALL

In the spring of 1936 room 307 beat 305 for the mushball championship.

BASEBALL

Last spring 115-C beat the Plumbing Shop to win this feature of the Intramural Sports

TRACK

Last year the Plumbing Shop totaled 40½ points to win the track title. Their nearest competitor was room 223 with 25½ points.

VOLLEYBALL

Room 307 beat 115-C last year to take the volleyball title.

BASKETBALL

Room 112 annexed the intramural basketball championship by defeating L-11 twice, by scores of 23-18 and 34-29. The final game, which ended 34-29, was fast and furious and full of thrills. L-11 took the first quarter 8-7 but 112 spurted and led at halftime, 17-13. The third quarter went 10-6 in favor of 112. In the final period several boys went out on fouls and L-11 had to finish the game with four men. L-11, however, took this period 10-7 to end the game with a final score of 34-29. Luse starred for the winners with 12 points while Ford rung up 15 for the "losers." The winners used Temple, Russell, Luse, Kuhn, Steindel, Byrne, Bohner, Brown, and Bartley, while L-11 had J. Miller, S. Miller, Ford, Fiore, Duncan, Reffner, Reifsteck, and Rainey.

Girls' Intramural Sports

IN THE girls' Physical Education Department, a new system of intramural sports met with general approval and much success. This program was carried on mainly because it is the aim of the instructors, Misses Elisabeth K. Eyre, Jean Kantner, and Frances McGinnis, to try to reach every girl in the school who is inclined toward any phase of athletics, and to make possible for her a constructive, all-year activity The varied program consisted of many activities planned to reach as many girls as possible. The fellowship and recreational values, the encouragement of hobbies, the development of the body, the increase in general skills, the learning of games that may be used in later life, and the promotion of health-giving qualities are but a part of the total contribution to the student.

BASKETBALL

The call issued late in December, for girls, to play basketball, was heartily supported. The tournament took the form of a "Round Robin," with five teams, each captained by a senior girl. The captains were Bettwy, Harf, Harnish, Hirst, and Ross. A spirited contest ended with Dolly Bettwy's team retaining first place. The Honorary Varsity, selected from the competing intramural groups, trounced a fast-stepping Alumnae team, the only rival of the varsity, with a score of 30-31.

VOLLEYBALL

This year's Home Room volleyball tournament was an enthusiastic one. A lively interest and keen competition was prevalent throughout the entire series. Room 125 won the school championship.

TAP DANCING

Advanced and beginners tap dancing classes, under the able direction of Misses Jean Kantner and Frances McGinnis, were held weekly in the girls' gym. Many girls took advantage of this new recreation and much was accomplished. A tap dancing exhibition was given on the Roosevelt floor as an added attraction at one of the basketball games.

ARCHERY

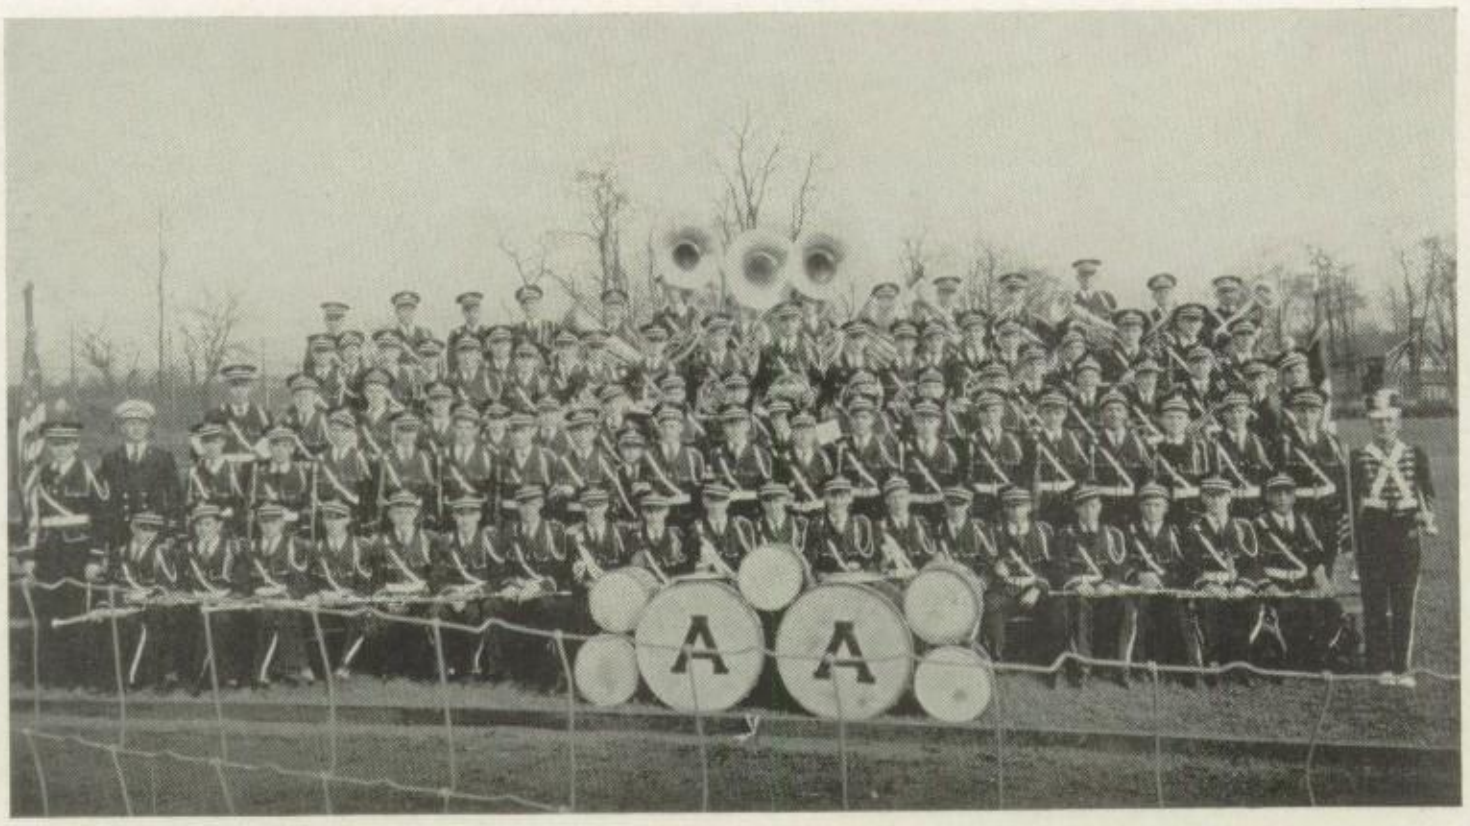
Targets! Targets! Targets! A vitally new sport was enthusiastically supported in the spring, when a large number of girls responded to a call for archers. The archery events were conducted in the court of the Senior High School.

MUSHBALL

Mushball, a favorite spring sport among the girls, got under way early in the season. The "diamond" this year attracted many more girls than ever before. Home Room teams were organized to compete for the mushball title of the school.

MUSIC

Band



UNDER the direction of Mr. Krivsky, with Walter Biddle as Drum Major, the Band aroused enthusiasm on the part of the fans at the athletic events. Its renditions were inspiring, its formations were intricate and spectacular.

This group presented a highly successful concert as a climax to a successful year.

Drum and Bugle Corps

THE Drum and Bugle Corps made its debut shortly after the beginning of the football season. The Corps participated in the musical demonstrations and formations, along with the band, between the halves at the football games and made the trips out of town to the "away" games.

The success attained by this group in its first year insured its status as a permanent organization.

Dance Orchestra

First Row—Holt, Nader, King, Pedro, Ingram, Chaney.
Second Row—Brubaker, Martz, DelBianco, Gearhart, Knouse, Smith, Houpt, Nelson, Stange, Campbell.
Pianist—McCoy

WITH Robert Stange as its leader and Mr. Krivsky as faculty adviser, the Dance Orchestra supplied a necessary element to make the social events of the school rousing successes.

This group specialized in popular music suitable for dancing and took part in various functions other than those sponsored by the school.

These talented musicians met several times each week for rehearsal and played for class socials, club parties, and the dances which were part of the various conferences held in the school. As a demonstration of its work, an assembly program of popular "hits" was presented.

This organization made possible a fine array of events which added materially to the social success of the school year.

A Cappella Choir

Front Row—Mr. Lindaman, Cherry, Wood, Bathgate, Slep, Harris, Corbin, Tippery, Debo, Hersperger, Weyant, Carl, Fiester, Long, Funk.
Second Row—Wolfe, M. Lafferty, Beck, Hanawalt, L. Lafferty, M. Miller, Lutz, D. Hamer, Anderson, Mackie, Brubaker, S. Miller, Humur, Delo.
Third Row—Lindaman, Hunsinger, Young, Kinch, Sutter, Kiser, Adams, Rice, J. Lafferty, Cherry, Kaufman, Potter, Weber, Peterman, Johnson.
Fourth Row—Gentsch, Mauk, Smiley, Clugh, Leiden, Davis, Woomer, Stier, Hogue, Simpson, Owens.
Fifth Row—Garman, Lehrer, B. Hamer, Grey, Burkhart, Swope, D. Sabathne, Cherry, Carolus, Yon, J. Meredith.
Sixth Row—Young, McAllister, Seward, Herrold, Weaver, Nader, Beasom, Flegler, Martz, C. Sabathne, Nelson, Strayer, McBurney, Biddle, Marshall, Isenberg, Buckel, Brown, Buchanan, V. Meredith, Waite, Minielli, Smith, Morse.

ALTOONA proved to be too small a field for the mixed *A Cappella Choir*. After singing for many of the notables in town, they traveled to Harrisburg to sing at one of the sessions of the Pennsylvania State Education Association.

The choir members were worthy of this honor, for, with Mr. Lindaman as their leader, they made excellent progress during the year. They sang for several of the teachers' lecture programs and also rendered selections when the poet, Vincent Burns, gave his lecture.

The *A Cappella Choir* played a prominent part in furnishing entertainment for the Central Pennsylvania Conference of the Methodist Episcopal Church, when it was held in Altoona. They aided the First Lutheran Church by appearing on its Anniversary Program.

The choir's activities were not confined to singing in churches. The group sang at the Potentate's Reception, for the Rotary Club, Quota Club, Kiwanis Club, and the Business Women's Club. As a fitting climax for their year's work, they played an outstanding part in the *Annual Show*.

Secular and religious numbers were sung equally well on these programs. Such outstanding programs represented many hours of training, during the second period every morning, in the music room. But the choir didn't mind. Why? Because Mr. Lindaman was the "boss."

Girls' A Cappella Choir

Front Row—Peterson, Whitehead, Gearhart, Wolfe, Franklin, Fitzpatrick, Anderson, McVey, McNaughton, McNoldy, McCormick.
Second Row—Jacobs, Pierson, Tobias, Taylor, Reinecker, Martz, Brown, Beck, Bryson, Braken.
Third Row—Gililand, P. Ritchey, Nelson, Whitbred, Baish, Kauffman, Burley, Orange, Irvin.
Fourth Row—Gruber, Fry, Mintle, Jones, Stiffler, Lucas, Isenberg.

DURING the school term the Girls' *A Cappella Choir* appeared before many appreciative audiences to give selections of high quality. Although the robes purchased during the year did not add to the voice quality of the members of the choir, the white gowns with maroon trimmings did improve the appearance of the group.

The girls sang for the Central Pennsylvania Conference of the Methodist Episcopal Church, when it was held in Altoona. They helped the First Lutheran Church to celebrate its anniversary by furnishing music. At a Sunday vesper hour concert in the Fifth Avenue Methodist Church, they were guest artists.

Appearances were made at the Potentate's Reception, the Rotary Club, Quota Club, Kiwanis Club, and Business Women's Club.

The girls also appeared on the program with Vincent Burns, poet and author. The audiences gathered for several of the teachers' lecture programs were fortunate enough to have selections from the choir.

Their repertoire included both secular and religious music. Mr. Lindaman, their director, deserves much commendation for the accomplishments of this choir.

Girls' Chorus

Front Row—Miss Eberle, Ryan, Heinsling, Ammerman, Edwards, Sharer, Lukens, Corbin, Bracken.
Second Row—DeAngelis, Cochrane, Weaver, Saylor, Haggerty, Lambour, Feeney, Miller, Endress.
Third Row—Brown, Downing, Nale, Schuh, Emery, Harkless, Lyles, Frezza, Luckner.
Fourth Row—Campbell, Alloway, Bussman, Gorrity, Helvis, Harding, Gearhart, Shaffer.

THE forty-two girls in Miss Alma Eberle's Home Room seem to get much enjoyment from singing during the activity period. The group was organized and all activities were conducted just as they were in any other home room. Each day that nothing special was scheduled on the calendar, when other students were diligently studying, Miss Eberle led these girls in a study of music of various types.

In spite of the fact that these free days were few and far between, and that the boys sometimes took their piano for Federation Clubs, the girls cooperated nicely, and learned to sing well.

Since the organization was introduced this year only as an experiment, not many people knew about its possibilities and requests for the girls to sing were few.

The girls appreciated this opportunity to study music and felt that the time was profitably spent. They believe that in future years such an organization will make many contributions to the musical activities of the school.

Girls' Glee Club

Front Row—Miss Eberle, Piotrowski, Brubaker, Martz, DelBianco, Worrell, Papanicolon, Rudasill.
Second Row—Criswell, Showers, Mountain, Boliski, Carr, Boring, Behe.
Third Row—Hammond, Yon, Temple, Lackove, Clabaugh, Kern, Dunmire.

Alma M. Eberle

CIVIC organizations, churches, and schools have expressed their appreciation to the Girls' Glee Club and to Miss Eberle for fine musical selections.

The girls traversed the city during the school year, presenting programs of religious and secular music. The climax of their year's work was the prominent part they played in the *Annual Show*.

This Glee Club practiced every morning during the first period. If "Sing before breakfast, cry before supper" is true, then many tears were shed this year, for high school girls will go without breakfast. The girls worked under difficulties, because the first class period in the day is the least likely of all to bring forth a spontaneous burst of song, but, as a rule, an enthusiastic interest prevailed.

The piano was used while the girls were learning the selections, but in the actual performances the girls sang without instrumental accompaniment. Their success was achieved only by conscientious, diligent practice. The girls derived much pleasure from singing, and willingly shared their talent with others.

Boys' Octette

Front Row—Mr. Wood, Buckel, Biddle, Kahle, Meredith, McAllister.
Second Row—Carolus, Flegler, Craiger, Brown.

THIS year, a new musical organization was introduced in the form of a Boys' Octette, with Mr. Wood as the instructor. The purpose of this group was to study music of a light and humorous type.

Such enthusiasm was displayed that, with the developing of the picture, the Octette contained nine members rather than the customary eight.

Since this was the first year for such organization, it was impossible to attain the high standard of performance set for the group. As it was difficult to arrange a suitable time and place for meetings because of the various other activities of the members, fewer public appearances were made than had been originally planned. However, the Octette enjoyed a fairly successful year and paved the way for further progress in the future.

FEATURES

The Yankee King

Front Row—E. Hunter, L. Hunter, Mattas, Kelly, Mock, Herr, Buller, Gracey, Blake.
Second Row—Mr. Davis, Anderson, Lamancusa, Burkheimer, Strayer, Smith, Bowen, Witherow.

The Yankee King by Edwin Day, the annual play sponsored by the English department, was presented in the Roosevelt auditorium before a large audience on December 11.

The story dealt with Pa Hinkle, a typical hen-pecked American husband of Canton, Ohio, who fell heir to Laurania, a principality in Europe, where Pa became absolute monarch. (Of course all this occurred in a dream one night when Pa was left at home while the family went out, as was the usual custom.) In Laurania, Pa learned to assert himself, and to rule everyone with whom he came in contact. He encountered a jealous duchess who was attempting to have him overthrown so that she might ascend the throne; for a time he turned to more romantic things and settled a breach of promise suit between Leon and Wanda, starting them on the road to living-happily-ever-after. But the affairs of state became complicated and Pa was quite content to awake and find himself on his own sofa in Canton, Ohio, U. S. A. However, he had learned one lesson of value—Pa is now master in his own house.

The Teapot on the Rocks

The Teapot on the Rocks, a clever comedy written by John Kirkpatrick, was presented on February 25 by the Dramatics Club of the Girls League as a paid assembly program for the benefit of the League.

Daisy and May were the operators of the "Brass Kettle Tea Room"; they had been, in fact, for three months, during which time no customer had crossed their inviting threshold. To their families as well as to Roy and Harry who loved May and Daisy, this "career" was nothing more than a foolish venture. Then came the day when they were about to relinquish their careers—when Mrs. Carstairs and a group of her friends entered the tea room. It was a town legend that wherever Mrs. Carstairs and her friends went, the town went. This was the big opportunity for the "Kettle," but Daisy and May had no supplies on hand. Their frantic efforts to get food from a near-by grocery and their arguments with a gas-man determined to turn off the gas, showed how the "Kettle" had crashed on financial rocks. Roy, faithful suitor, paid the bills even though he gave May's engagement ring in lieu of cash. The "Kettle" was now a success—for Mrs. Carstairs had been there—and its owners were willing to give up their careers.

The cast of characters follows:

May.....Margaret Simm
Daisy.....Mary Smith
Roy.....Charles Glenn
Mrs Carstairs.....Josephine Condrin
Willie.....Louis Bavarsky
Gas-man.....Russell McCaulley

The Caravan

The Caravan, a serious play written by Edna Higgins Strachen, presented at a special assembly on February 3 and again the following week, was distinctly different from the other plays given during the year.

Margaret, Richard's young wife, is about to die. Dr. Gillespie, her physician, has told Richard, who asks that the knowledge of this be kept from Margaret. But Margaret, a very intelligent as well as charming woman, realizes that she has not long to live. With this knowledge in mind, her days become filled with the memory of John Archer, her first husband, who was killed in the World War. He had been gay, impetuous, dashing—all those things that Richard could never be. Richard, in his own way, had tried to make her happy, but in his heart he was jealous of Archer. At last he realizes that Margaret is aware of his secret, but finds that she has come to think of death not as something horrible, but as a long, sweet dream. She has gained this attitude from an old book of Archer's, a passage that he had marked for her long ago. But in this final calamity, Richard and Margaret are brought together as they had never been in their happier days.

The Caravan, beautiful in the sheer depth of the thought it portrays, was sincerely and therefore well re-enacted, with the understanding it required, by the following cast:

Margaret.....Dorothy Schulman
Richard.....Hugh Berkheimer
Doctor Gillespie.....Kenneth Strayer
Sarah.....Anna Mary Gracey

International Interlude

INTERNATIONAL INTERLUDE, made possible by the joint efforts of the music and dramatics departments, was presented in the Roosevelt Auditorium April 2 and 3. This year's production, a departure from that of previous years, was one of the most artistic and educational "Shows" ever produced by Altoona High School. The first section, representing music and dances of many nations, opened with the ever-popular "Finlandia," played by the orchestra; then followed the musical numbers "Venetian Love Song," "Nobody Knows de Trouble I See" and "Winds of the South," sung by the Girls' Chorus. Evan Jones played a cornet solo, "Carnival of Venice." These were followed by two dances, "Russian Peasant Dance" by Betty Shaffer and Shirley Marcus, and "Spanish Duel Dance" by Bob Hauser and Jack Hovis.

Josephine Lombardo sang two difficult operatic selections. This was followed by a group of folk songs of different nations sung by the girls' *A Cappella Choir*. The string quartet, composed of Elsie Szedlacsek, William Harshbarger, John Riley, and John Kephart then played the beautiful selection, "To A Wild Rose," written by the American composer, McDowell. America remained in the spotlight momentarily as Janet Lafferty presented an American Tap Dance. The scene then shifted to Arabia, where Jean Witherow entertained with an acrobatic dance performed entirely on a small platform raised six feet from the stage. Returning to the home land, American folk songs were given by a trio composed of the three Miller sisters, Suzanne, Margaret, and Georgine. The mixed *A Cappella Choir*, with the girls in colorful evening dress, presented a group of folk songs, both of Europe and America, ending with a stirring rendition of "Ol' Man River."

The brass quartet, composed of Robert Flick, Ray Detwiler, John Riley and Eugene Smith, entertained with selections from Italian, French, and German composers. This was followed by another set of dances: "Gypsy Toe

Dance" by Sara Harshbarger; "Hungarian Gypsy Dance" by Joanne and Helen Haines and Janet Young; "Viennese Dance" by Jane Felty and Bob Hauser; "Spanish Dance" by Lois Jane and Elaine Hunter; and "French Ballet Dance" by Shirley O'Donnell. The dances were lavishly costumed and among the most-to-be-remembered ever seen in an Altoona High School production. The first act closed with an interlude of Victor Herbert favorites played by the orchestra.

Part two consisted of a one act play, *Eddie Meets the Family*, by Wall Spence. It portrayed life as it is found in many American homes of today. The difficulties of two young lovers were made none the less by a series of mishaps and misunderstandings which kept the household in a turmoil.

The cast was well chosen and the performance, under the direction of Mr. Davis, was exceptionally good.

CAST OF CHARACTERS

Frances Hillman.....Janet Evelyn Keech
Loretta Hillman.....Miriam Brubaker
Grandma Hillman.....Betty Buller
Roger Hillman.....Aubrey Nonemaker
Miss Parks.....Dorothy Schulman
Eddie Springer.....Dean Miller
Mrs. Hillman.....Marie McVey
Mr. Hillman.....Robert Ebert
Larry Hillman.....Sidney Kaiser
Millie Hillman.....Josephine Keiffer

The third act was staged in a never-to-be-forgotten cathedral scene. The first numbers, given outside the cathedral, were sacred selections by the orchestra. Several chorales were then presented by a trombone choir, an innovation in A. H. S. This was followed by a violin solo, "Ave Maria," played by Fred Holt. The curtains then parted, revealing the mixed *A Cappella Choir*, now in maroon and white robes, singing sacred numbers—French, Latin, Russian, and English selections, and our own American anthem, "God Is Great," from the Ephrata Cloisters of Ephrata, Pennsylvania. A thrilling climax was reached in the singing of "The Lord Bless You and Keep You," culminating in the famous seven-fold "Amen Chorus."

International Interlude was an artistic production that reflected credit on its director, Mr. Lindaman, and on every participant.

Little Prison

Little Prison, a one act play written by George Milton Savage, was presented at two assemblies in Altoona High School and was also given at Shippensburg, Pennsylvania, during the week end of March 19-21.

This is a very unusual play for the scene takes place in an elevator that is trapped between two floors at closing time one afternoon. The five women who are occupants typify as many different personalities and the complications which arise bring out interesting character studies. The cast was as follows:

Pearl, an elevator girl.....Helen Louise Jones
Daisy, a ribbon clerk.....Eleanor Reese
Mrs. Richardson, society matron.....Betty Hench
Miss Ellison, general manager of store.....Enid Hunter
Blanche Bundy, newspaperwoman.....Helyne Weber
Voice.....Charles M. Jones

Lest We Forget

A series of diversified views of those days of 1936-37 which were so interesting to the citizens of A. H. S.

September 8

At the first meeting of the Girls League the Sophomore girls got their first real taste of High School, and discovered that it really wasn't such a bad place after all.

September, the Seventh Month of the Roman Year

September 9

The BIG day! Altoona High School started the year with a bang, through the sale of activity tickets. . . . Everybody accumulated a few grey hairs worrying over schedules; nevertheless, the future looked rosy

September 10

The halls took on a business-like aspect, when all those shiny new locks were put on the lockers.

September 14

School began in earnest with the first full day schedule. . . . The cafeteria was opened for the year. . . . The Sophomores held their first meeting, and Keith and Roosevelt loyalists joined forces.

September 15

In this year of political campaigns, Altoona High School set out early to arrange for its full share. Nominations for officers of the Girls League were made in Group A. For the first time in the history of Altoona High School, the League was so large that the girls were divided into two assembly groups.

September 16

The Juniors had their first get-together—feeling older, wiser, and all ready for a big year.

September 18

Altoona High School was entertained by the "Petrie Quintet," the first presentation of the Activity Association. Needless to say, every one enjoyed the performance.

September 19

The Mountain Lions roared to their first victory to the tune of a 61-0 defeat for Williamsburg.

September 21

The last group, but certainly not the LEAST to get under way, was the Senior Class.

September 22

Group B of the Girls League met. Nominations were continued.

September 23

More politics, this time school-wide. Home Room officers were elected at the first meeting of the groups.

September 26

The Mountain Lions pawed their way to a 31-6 victory over DuBois. . . . And shall we ever forget that sensational run by Don Cassidy, or the band's unofficial rendition of "The Organ Grinder's Swing"!

September 28

Several groups launched activities for the year. . . . National Honor Society. . . . Horseshoe. . . . Assembly.

September 29

At the Girls League meeting, the election campaign featured speeches by the candidates and their managers. Steffi Podgorski, speaking for Phyllis Robinson, imitated that well-known local character the "Unseen Adviser," and predicted victory for her candidate. (Her prediction was correct.) Posters for the candidates were placed in the halls. The photograph of Sara Jane Gundy, a candidate for the office of president, proved too tempting for some one, and a vacancy appeared on her poster. The disappearance of the picture remained one of the unsolved mysteries of Altoona High School.

September 30

The *Mountain Echo* issued bulletins of the World Series, much to the delight of a l sports fans.

October 1

The Boys Federation Clubs held their first meetings.

October 3

The Maroon and White forged ahead with a 27-0 win over Lewistown.

October 5

The casting of ballots for officers of the Girls League culminated a thrilling campaign.

October 6

"Robert's Pets" were presented by the Boys Federation. How the knowledge of some of those little birdies did show us up!

October 8

The Latin classes spent the entire day in Hollidaysburg at the court house. . . . Spectators, of course!

October 9

We had our first big pep meeting.

The *Mountain Echo* published the results of the Girls League election, the first big "scoop" of the year.

October, the Eighth Month of the Roman Year

October 10

In an "away" game, the Mountain Lions were defeated by Greensburg. We thanked our lucky stars that this was not a conference game.

October 12

Columbus Day program was presented in assembly. . . . "Behind him lay the blue Azores. . . ."

October 21

Election of class officers! How eagerly we haunted the *Mountain Echo* bulletin board to get the results of THIS campaign!

October 22

Altoona High School learned that CRIME DOES NOT PAY. . . . Mr. Dittmore, himself an ex-criminal, addressed us. There were four assembly groups—and shall we ever forget the monotony of a first period that lasted the better part of four hours!

October 23

We had another pep meeting. . . .

October 24

Despite our enthusiasm of yesterday, the victory was lacking. Windber overcame the Mountain Lions, 20-12

October 30

That old favorite, "Box and Cox," was successfully presented in the assembly.

November 2

Altoona High School gave its version of the big topic of the season. . . .we voted for president, each Home Room representing a state . . . and as went Altoona High School, so went the nation.

November 4

We were entertained by Noah Beiharz, the second presentation of the Activities Association. He impersonated characters at a country debate.

November 6

The year's BIG pep meeting, all in honor of our old friend Johnstown! A new personage, the Mountain Lion himself, graced the stage of Altoona High School. Underneath all that imposing costume was Charlie Glenn, henceforth Charlie Lion. The yells by the various organizations . . . the *A Cappella Choir* on the stage, each member armed with Mickey Mouse balloons which WOULD choose to burst at the most unexpected moments of the program.

November, the Ninth Month of the Roman Year

November 7

Johnstown held the Maroons to a scoreless tie. We were very favorably impressed with their fine band. After the game, we heard a sophomore say that the drills performed by the bands during the intermission between halves were as good as the game. At any rate, this was THE DAY.

November 9

A joint assembly program celebrated both education week and the anniversary of the Armistice. . . . We are glad that we do not go to such a school as the one which was portrayed as the early grammar school of Boston . . . and we feverently hope that in the future there will be no wartime inspiration for any such masterpieces as "In Flanders Fields."

November 10

The Girls League held a "Peace Rally," the spirit of which we hope will be remembered. . . . The first Quill and Scroll radio broadcast was given as a part of the program for education week.

November 12

School by candlelight! Altoona High School conducted three evening classes, after having a half-holiday in the forenoon.

November 14

The Mountain Lions easily overcame the Huntingdon Bearcats with a score of 46-0. The chill winds of winter howled across Mansion Park, and serpentine ribbon and confetti whirled over the field in the gale.

November 16

"Book Week" was ushered in by an assembly play showing the possibility of increased services for books and libraries in the future. . . . We came to school in the snow, for the first time during this fall season.

November 17

The football team blossomed out in new maroon and white sweaters, a gift from Joe Cohen for their fine work in the Johnstown game.

The opera "Martha" was presented tonight in the Roosevelt Auditorium by a New York company. . . . This week's Quill and Scroll radio broadcast featured "Book Week."

November 20

The first Senior Social, and also the first social to be held in the cafeteria instead of in the study hall as in former years, was a big success. . . . Meanwhile, ten members of the *A Cappella Choir* were attending a state convention at Ebensburg.

November 23

The Quill and Scroll held its annual initiation luncheon.

November 24

The Hi-Y "Mother and Son" banquet at the First Methodist Church was a delightful social affair.

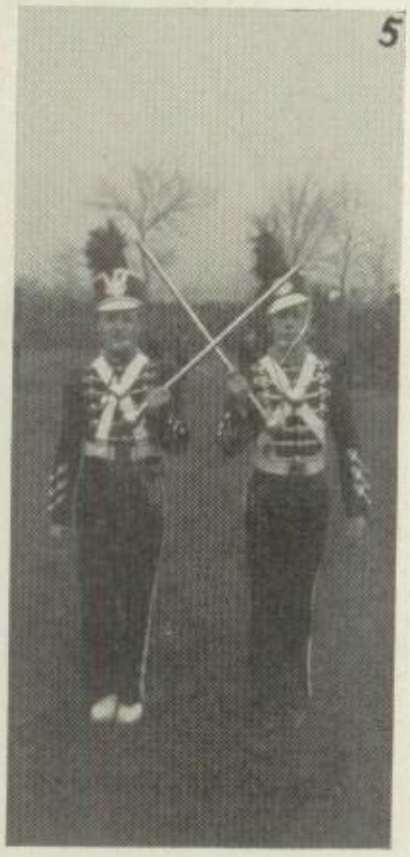
November 25

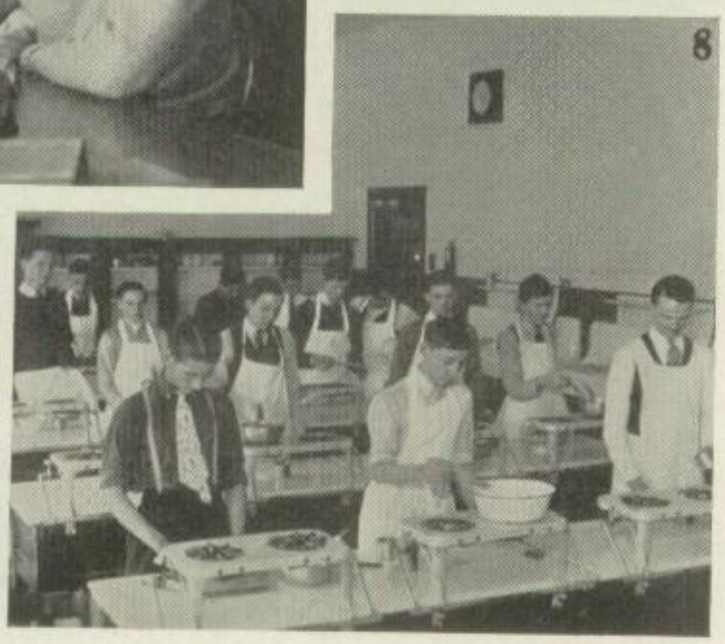
The theme of our Home Room program was "Thanksgiving."

November 26

The Track Club sponsored a roller-skating party at Mansion Hall.

Here and There





1. Everybody starts to swing at the first Senior Social!
2. Do we have a future mile-a-minute typing champion here?
3. Charlie Lion cheers the Mountain Lions to victory.
4. On our way out of school. (Note the books?)
5. Blow, oh gentle mountain breezes.....
6. Being president of the Senior Class does not stop Don Cassidy's appetite the day after election.
7. Smells good!
8. When woman's work becomes man's.

December 1

Gloom descended on Altoona High School. At the P. I. A. A. Athletic Council meeting, held in the Penn Alto, Curwensville was voted champion in the conference

Quill and Scroll gave a radio program on movie reviews for the next few months.

December, the Tenth Month of the Roman Year

December 2

Various group pictures were taken for *The Horseshoe*. The camera shooting was postponed because of snowfall. How chilly the day was!

December 3

A film, *The Covered Wagon*, was shown at Roosevelt during the last period. A large audience, taking the right of all "melodrama-goers," hissed the villian and cheered the heroine.

December 7

In assembly we are given a preview of the year's biggest play, *The Yankee King*, presented by the English department. It was conducted informally, as at an actual rehearsal. Remember? On the program we also had a short skit showing the value of *The Horseshoe* in years to come.

December 8

Scholarship was brought to the foreground when the Girls League pins were presented to the girls who had, in the preceding year, maintained an average of ninety or above in four "solids."

December 9

The yearbook was the subject of Home Room speeches, and first payments were made on subscriptions.

December 11

The Yankee King was presented in the Roosevelt Auditorium this evening to a large and appreciative audience.

December 12

The basketball season was opened on the Roosevelt floor with a 33-0 win over Boswell.

December 16

Home Room Christmas programs and carol singing aroused a holiday spirit.

December 18

An assembly program, Dickens' "Christmas Carol," was presented by Keith Junior High School. . . . The first Junior social drew a big crowd.

December 23

School was in session during the morning, but the time was devoted to Home Room parties and assembly programs. To add to the Christmas spirit, the *A Cappella Choir* sang carols in the corridors.

January 4

We came back to school refreshed by the vacation and "pepped" with many good resolutions for the coming semester. Assembly program gave us an ultimate goal for one resolution by presenting movies on safety.

January 13

A good old fashioned community sing in assembly waylaid the worries of coming semester exams.

January 17

Altoona Mountain Lions overcame Johnstown's cagers on the Roosevelt floor with a score of 29-25.

January 20

Sophomore class meeting aroused a great deal of interest . . . even though our Sophomores have covered half the way to their junior year.

January 21

Real excitement—and it kept the attendance office busy! McCory's and Westfall's stores burned, and traffic came to a standstill. No street cars ran up Eleventh Avenue, so a large number of pupils were late for school. While all this went on at home, a group attended the State Farm show at Harrisburg. . . . And another group was excused to attend a special showing of *Romeo and Juliet.*

January, Janus
God of Entrances

January 22

The health test ushered in that good old season of semester tests. . . . In the evening all worry was cast aside as everyone went to "swing" at the second Senior social.

January 26, 27, 28, 29

Tests or vacation . . . as the case may have been.

February 1

We bade the first semester goodbye, forever. It's nice to start another half-year with a clean record and high hopes.

February 2

Those of us who were fortunate (or unfortunate) enough to be Seniors started on the home stretch of our race toward graduation.

Michail Dorizas, who recently returned from Spain, showed movies of that country and lectured on the present Spanish situation. His talk was one of the series of paid assemblies.

February 3

The *A Cappella Choir* sang in Harrisburg for the state convention of school directors.

February 4, 10

The Caravan, a serious play, was presented as an experiment by the dramatics department, for classes and teachers who wished to attend during the seventh period.

February 11

National Athletic Scholarship Society initiated new members.

February 16

We were well entertained by the "Dixie Melody Masters," in the morning. The group of young colored men presented folk songs of their race in an artistic manner. . . . In the afternoon we were excused at two-thirty to give parents an opportunity to visit with teachers. . . . In the evening, Lyman Beecher Stowe, grandson of Harriet Beecher Stowe, lectured in the Roosevelt auditorium on the life of Mark Twain.

February, Februm
Festival of Purification

February 17, 18

Did you have your hair well combed and your nose properly powdered? Everyone in school got his picture taken for permanent office records.

February 19

Music again held sway, as the Orchestra held its annual concert in the Roosevelt Auditorium, before a large and appreciative audience.

February 22

A holiday, in commemoration of the birth of Washington.

February 24

The Sophomores met. . . . Junior and Senior Girls League conferences arranged for the Washington trip at cherry blossom time. Lucky are the ones who plan to attend. . . . Then there was the ver-r-r-r-y unique item on the announcement sheet: "Lost—one dental plate." Guess somebody didn't go to lunch today!

February 25

A paid assembly, *The Teakettle on the Rocks*, a delightful one-act play, was presented by the dramatics department of the Girls League, under the direction of Miss Ritts.

February 26

Altoona's Mountain Lions won the district basketball championship in a thrilling 20-18 win over Ferndale, thus ending an undefeated season. After the game, a large part of the huge crowd went to High School from the Roosevelt Gym for the second Junior Social.

March 1

Wanted: Two thousand coat hangers for career conference.

March 3

A Home Room program set forth the purpose and value of the career conference.

March 6

The career conference was a BIG success. Representatives were present from a large number of the high schools in Central Pennsylvania. They heard Cameron Beck in the morning, attended round table discussions both in the forenoon and in the afternoon, lunched in the cafeteria at noon, and danced at four o'clock.

March, Mars
God of War

March 9

The Mountain Lions brought victory to Altoona High School by defeating Franklin, 24-15, on the Johnstown floor, thus winning the first game in the elimination for the state championship.

March 13

A group of students from the history and science departments visited Philadelphia. They viewed such historic places as Valley Forge and Betsy Ross' house. They saw places of scientific interest, including the planetarium and the flower show . . . and no one got lost in the big city.

March 16

On the State College gymnasium floor, the Mountain Lions defeated Cresson, 40-18, capturing the District Six title

At home, Vincent Burns, poet, lectured in the Roosevelt auditorium on "Peace," and gave a special lecture for students during the seventh period in the Senior High auditorium. In the High School he conducted a contest in writing poetry on "Peace," giving autographed copies of his books as awards. The first prize was won by Margaret Sims; additional prizes were won by Beth Swope, David Flegler, and Mary Kathryn Kurtz.

March 17

Sure, lads and lasses, and we all wore our GREEN today! Let it not be said that in Altoona High School we are not loyal to the memory of Ireland's patron saint. We will also seek to be loyal to that Home Room program on "Culture, and the Better Things of Life."

March 19

Senior social . . . green and gold . . . soft lights and sweet music. . . .

We were scattered to the four winds on this particular day. Several members of the band were chosen to play at the All-State Band Convention in session at Canton, Pennsylvania. Another group, under the direction of Mr. Davis, entered the annual Dramatics Tournament at Shippensburg with the play entitled *The Little Prison.* Last, but DEFINITELY not least, the basketball team was in Pittsburgh preparing for that all-important game with Ford City to be played on the Pitt University floor.

March 20

The good news arrived that the Mountain Lions mauled Ford City to a 30-26 victory on the Pittsburgh floor, thus reaching the western championship finals.

March 24

For Napoleon, there was Waterloo . . . and for the Mountain Lions, there was that game with Pittsburgh on the State College floor, ending with a score of 37-20 in favor of South, and spelling "finis" to as good a basketball season as Altoona High School has ever known . . . and all this the night before the Easter vacation began.
